Business Management Hannie Badenhorst-Weiss, Tersia Brevis, Mike Cant, 2008-02 The world is in a constant state of flux and this influences the operations of every business and organisation Business Management A Contemporary Approach

deals with these changes by covering the functions of a business or an organisation and then addressing the contemporary issues that affect them. These issues include globalisation, corporate entrepreneurship and citizenship, credit diversity and HIV/AIDS. Every student of business and business manager needs to understand the importance of these issues and their influence on the operations of a business. *Business Management A Contemporary Approach* also highlights the interdependency between the various business functions. This interdependency is very important for a business or organisation to operate as a whole.
