*Preaching and Preachers* D. Martyn Lloyd-Jones, 2012-01-24 Some may object to my dogmatic assertions but I do not apologize for them Every preacher should believe strongly in his own method and if I cannot persuade all of the rightness of mine I can at least stimulate them to think and to consider other possibilities I can say quite honestly that I would not cross the road to listen to myself preaching and the preachers whom I have enjoyed most have been very different indeed in their method and style But my business is not to describe them but to state what I believe to be right however imperfectly I have put my own precepts into practice I can only hope that the result will be of some help and especially to young preachers called to this greatest of all tasks and especially in these sad and evil times With many others I pray that The Lord of the harvest may thrust forth many mighty preachers to proclaim the unsearchable riches of Christ
