Fowl, 2017-01-12 In this guide Stephen E Fowl introduces students to both theological fruit and critical issues of the letter to the Ephesians On the theological front Fowl shows how Ephesians offers an unparalleled cosmic vision of the significance of the death and resurrection of Jesus of the role of heavenly powers in the universe and of how the community of Christians is to engage with those powers Fowl also opens up the major identity questions Ephesians shows existed for early Christians how to conceive the relationship of Gentiles with the Jews from among whom their faith emerged and how to live as a Christian within households ordered on patriarchal lines while not capitulating to patriarchy On the critical front Fowl provides an introduction to the key critical questions and issues such as whether this letter was actually written to a church in Ephesus and whether Paul the apostle was indeed the author of the letter Yet whilst there are demanding linguistic historical and cultural questions to be answered Fowl is careful to point out that this should not be done at the expense of reading the text closely and appreciating its meaning and message *Dynamics of the new Creation with study notes* Tony Smits, Tony Smits B.Th, 2011 **Welcome to the Basement Study Guide** Tim Ross, 2024-02-27 Encounter faith where it was meant to be found not in life s penthouse but in the basement where God s kingdom is waiting to welcome you This practical study guide companion to Tim Ross s Welcome to the Basement will help you assess where you are in your relationship with God and what steps you need to take to move to the next level in your faith For too long we ve been taught that the only way to be great is to go up But it s time to turn the world upside down because in God s Kingdom the way up is down the way in is out and downward mobility is your only hope for upward utility This study guide is ideal for you to go through on your own or with a group Each session includes The big ideas that will be covered in the session as you read through the book An assessment exercise to help you reflect on your relationship with Christ Ten group oriented discussion questions based on the Bible and book content A closing personal exercise to help you apply the concepts you ve
