J.P.F. D'Mello,2019-12-04 Written by an international team of authors from a range of educational medical and research establishments this book is an essential reference for advanced students and researchers in the areas of environmental sciences ecology agriculture environmental health and medicine in addition to industry and government personnel responsible for environmental regulations and directives A Handbook of Environmental Toxicology focuses on two key aspects human disorders and ecotoxicology as affected by major toxins originating from biological sources and pollutants as well as radiation generated spontaneously or as a result of anthropogenic activity A diverse array of these potentially harmful agents regularly appear in the atmosphere soil water and food compromising both human health and biodiversity in natural and managed ecosystems [Britain in a Perilous World](#) Jonathan Shaw,2015-03-15 The British government periodically publishes a Strategic Defence and Security Review an appraisal of the armed forces that seeks to understand and prepare for the defense challenges that lie ahead This report is often controversial the 2010 review for example made headlines for all the wrong reasons as major defense projects such as the NIMROD aircraft were discontinued at huge cost while other projects were maintained only because they were too expensive to abandon In advance of the 2015 Strategic Defence and Security Review Jonathan Shaw argues persuasively for the need to rethink how governments and Whitehall devise their strategies and reach crucial decisions Beginning with the review s often imprecise use of language Shaw challenges the assumptions that underlie the British government s current practices Ultimately he suggests how Whitehall can improve its approaches and equally important its credibility **The Dialectics of Post-Soviet Modernity and the Changing**

**Contours of Islamic Discourse in Azerbaijan** Murad Ismayilov,2018-09-15 Azerbaijan s independence came after seven decades of militant atheism of Soviet modernization project and emerged into staunch secularism of Western modernity two factors that on a par with the country s precarious neighborhood promised a sustained indigenous effort towards the

desacralization of the country's political space and the associated exclusion of religion from politics a modern blueprint that the Azerbaijani state and its society have stood united to diligently follow over the cause of the country's independent existence Yet the specific dynamics facing the country in the third decade of independence and the changing contours of its international engagements have gradually been working to set the country free from the stifling grips of Western style modernity and lay the groundwork for quintessentially and esoterically Azerbaijani pathway of statehood to follow one combining the nation's historical embeddedness in an Islamic milieu with its century old practical experience of modern policy making This book offers a detailed account of the dynamics behind the religious secular divide in Azerbaijan over the past two decades of independence and the conditions underlying the ongoing process of normalization of Islamic discourse and the rising cooperation across the country's secular religious political landscape and looks into some future dynamics this transformation is set to unleash It begins with an outline of hybrid intentionality behind the elite's manifold attitudes to Islam with particular focus on the strategy of separation between religion and politics in which those attitudes have found expression It then proceeds to show the complicity of civil society and the broader populace as well as the international community and the country's Islamic stratum itself in the reproduction of the narrative of Islamic danger and the resultant religious secular divide in post Soviet Azerbaijan The study then continues with an account of a number of dialectical tensions inherent in policy outcomes to which the hybrid nature of elite intentionality has given rise It then follows on to discuss key factors contributing to the ongoing normalization of Islam across the public realm and the gradual bridging of the religious secular divide amidst the ongoing state repression The volume concludes with a comparative insight into some common features and conditioning factors behind the dynamics underlying the religious secular nexus in Azerbaijan and across the broader region of the Middle East It also offers an insight into some future potentialities that the current dynamics have laid bare
