Essentials Of Corporate Financing:

Essentials of Corporate Finance Stephen A. Ross,Randolph W. Westerfield,Bradford D. Jordan,2023 We designed Essentials of Corporate Finance to be as flexible and modular as possible There are a total of nine parts and in broad terms the instructor is free to decide the particular sequence Further within each part the first chapter generally contains an overview and survey Thus when time is limited subsequent chapters can be omitted Finally the sections placed early in each chapter are generally the most important and later sections frequently can be omitted without loss of continuity For these reasons the instructor has great control over the topics covered the sequence in which they are covered and the depth of coverage
