careers and contributions of Meharry MedicalCollege School of Nursing s generic graduates It is not a history of Meharry
Medical College established in 1876 nor a history of the School of Nursing 1900 1962 Instead it focuses on stories about
some of the 666 Meharry nurse graduates who completed their generic preparation for professional nursing practice before
the academic program was discontinued in 1962 A scarcity of archival information about the nurse graduates including their
contributions to nursing and society inspired this project Meharry Medical College remains one of the nation s most

stimulus for the project emerged from a Chicago based focus group ofMeharry School of Nursing graduates who realized the
