**Ethics** Simon Blackburn,2003-05-08 Our self image as moral well behaved creatures is dogged by scepticism relativism hypocrisy and nihilism by the fear that in a Godless world science has unmasked us as creatures fated by our genes to be selfish and tribalistic or competitive and aggressive In this sparkingly clear Guardian introduction to ethics Simon Blackburn tackles the major moral questions surrounding birth death happiness desire and freedom showing us how we should think about the meaning of life and how we should mistrust the soundbite sized absolutes that often dominate moral debates ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

**Medical Ethics: A Very Short Introduction** R. A. Hope,2004-09-23 Issues in medical ethics are rarely out of the media and it is an area of ethics that has particular interest for the general public as well as the medical practitioner This short and accessible introduction deals with moral questions such as euthanasia as well as asking how health care resources can be distributed fairly *Being Good* Simon Blackburn,2002-03-14

It is not only in our dark hours that scepticism relativism hypocrisy and nihilism dog ethics Whether it is a matter of giving to charity or sticking to duty or insisting on our rights we can be confused or be paralysed by the fear that our principles are groundless Many are afraid that in a Godless world science has unmasked us as creatures fated by our genes to be selfish and tribalistic or competitive and aggressive Simon Blackburn author of the best selling Think structures this short introduction around these and other threats to ethics Confronting seven different objections to our self image as moral well behaved creatures he charts a course through the philosophical quicksands that often engulf us Then turning to problems of life and death he shows how we should think about the meaning of life and how we should mistrust the sound bite sized absolutes that often dominate moral debates Finally he offers a critical tour of the ways the philosophical tradition has tried to provide foundations for ethics from Plato and Aristotle through to contemporary debates

**Practice What You Preach, Preach What You Practice** Ronald Barnes, 2016-11-30 What does it mean to be religious Religious ethical morality is not just a Sunday set aside or a social protocol to conform to peer group expectations nor should religion be used as a refuge of forgiveness for negative actions that do not change It is important to respect the religion of others even if you do not agree with their teachings However without a basic knowledge of other religions there is no basis for evaluation other than hear say and ignorance which are not rational foundations for evaluation Because the voice of women is diminished by men who devalue the contribution of women or men who attempt to dictate and define what should be the womans role and contribution As a result the world lacks the moral input of women who are considered the moral exemplar for humanity even by many male religious leaders Atheism: A Very Short Introduction Julian

Baggini, 2003-06-26 Do you think of atheists as immoral pessimists who live their lives without meaning purpose or values Think again Atheism A Very Short Introduction sets out to dispel the myths that surround atheism and show how a life without religious belief can be positive meaningful and moral **Philosophy: A Very Short Introduction** Edward Craig, 2002-02-21 How ought we to live What really exists How do we know This book introduces important themes in ethics knowledge and the self via readings from Plato Hume Descartes Hegel Darwin and Buddhist writers It emphasizes throughout the point of doing philosophy explains how different areas of philosophy are related and explores the contexts in which philosophy was and is done ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable One Graham Priest, 2014-03-27 Graham Priest presents an original exploration of philosophical questions concerning the one and the many He covers a wide range of issues in metaphysics including unity identity grounding mereology universals being intentionality and nothingness and deploys the techniques of paraconsistent logic in order to offer a radically new treatment of unity Priest brings together traditions of Western and Asian thought that are usually kept separate in academic philosophy he draws on ideas from Plato Heidegger and Nagarjuna among other philosophers

**OCR Religious Ethics for AS and A2** Jill Oliphant, 2010-11 Written by experienced teachers and A level examiners this textbook covers the key modules of the OCR Religious Studies syllabus The Blacksmith's Son Paul A. Jensen, 2015-12-17 The son of a Danish immigrant tells the story of his life and times from the beginning of the Second World War to the state of the world today He questions the wisdom of religious belief and the ever increasing growth of civilization Will mankind be able to survive when confronted with a shortage of essential resources and over population in the near

future Has the time come for nations to implement much needed limits to growth Have governments failed to respond due to political inaction or fallacy Currently the masses are on the move in the Middle East Northern Africa and elsewhere toward Europe in search of survival and a better life Europe can accommodate some of them but not all Terrorism threatens Europe and elsewhere How will it all end In 1941 Paul s family move to the countryside in northern California for the duration of the war Later in life Paul begins to worry about the future of the world that he knows and cares about He asks difficult questions and expects intelligent answers
