**Practitioners** Moira Tolan, Tracey Niemotko, 2024-05-01 In recent years the authors have watched as the struggles of independent colleges have multiplied. Faced with declining enrollments and numerous financial constraints, many schools struggle to stay solvent and relevant. Fiduciary concerns have been coupled with discussions surrounding whether business programs at these colleges are succeeding in preparing students for a modern workplace. In this book, the authors highlight some of the factors that business school practitioners, including faculty members and administrators, must pay careful attention to at this volatile time. The book also serves as a guide for parents and guidance counselors as they decide among multiple alternatives for students seeking higher education. The authors propose specific action-oriented remedies to the concerns, identifying ways that colleges might play a more significant role in preparing business leaders. This book will enhance a reader's ability to discriminate among business programs and academic institutions. Teaching By Numbers Peter Maas Taubman, 2010-07-01 Over the last decade, the transformation in the field of education that is occurring under the twin banners of standards and accountability has materially affected every aspect of schooling. Teaching and teacher education in the United States. Teaching By Numbers offers interdisciplinary ways to understand the educational reforms underway in urban education, teaching and teacher education, and their impact on what it means to teach. Peter Taubman maps the totality of the transformation and takes into account the constellation of forces shaping it. Going further, he proposes an alternative vision of teacher education and argues why such a program would better address the concerns of well-intentioned educators who have surrendered to various reforms efforts. Illuminating and timely, this volume is essential reading for researchers, students, and professionals across the fields of urban education, curriculum theory, social foundations, educational policy, and teacher education. **The Essential Career Guide to Becoming a Middle and High**

The Top Books of the Year Ets Praxis Study Guide Business Education The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Ets Praxis Study Guide Business Education : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Ets Praxis Study Guide Business Education : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
