Flashforward Robert J Sawyer:

Flashforward Robert J. Sawyer, 2000-04-15 Science fiction *Flashforward* Robert J. Sawyer, 2010 Suddenly everyone in the world loses consciousness for two minutes Planes fall from the sky there are millions of car crashes millions die And when everyone comes round they have had a glimpse of their life in the future When it awakes the world must live with the knowledge of what is to come Some saw themselves in new relationships some saw exciting new technologies some saw the stuff of nightmares Some young and old alike saw nothing at all A desperate search to find out what has happened begins Does the mosaic of visions offer a clue *Flashforward* Robert J. Sawyer, 2014-05-06 Robert J Sawyer's award winning science fiction has garnered both popular and critical acclaim The New York Times Book Review called *Frameshift* filled to bursting with ideas characters and incidents His novels are fixtures on the Hugo and Nebula ballots Sawyer now brings us *Flashforward* the story of a world shattering discovery In pursuit of an elusive nuclear particle an experiment goes incredibly awry and for a few moments the consciousness of the entire human race is thrown ahead by about twenty years As the implications truly hit home the pressure to repeat the experiment builds Everyone wants a glimpse of their future a chance to flashforward and see their successes or learn how to avoid their failures Winner of the Aurora Award and the basis for the hit ABC television series At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied *Flashforward* Robert J. Sawyer, Ana-Veronica Mircea, 2011 *Rollback* Robert J. Sawyer, 2007-04-03 Exploring morals and ethics on both human and cosmic scales *Rollback* is a new SF novel by Hugo and Nebula Award winner Robert J Sawyer Dr Sarah Halifax decoded the first ever radio transmission received from aliens Thirty eight years later a second message is received and Sarah now 87 may hold the key to deciphering this one too if she lives long enough A wealthy industrialist offers to pay for Sarah to have a rollback a hugely expensive experimental rejuvenation procedure She accepts on condition that Don her husband of sixty years gets a rollback too The process works for Don making him physically twenty five again But in a tragic twist the rollback fails for Sarah leaving her in her eighties While Don tries to deal with his newfound youth and the suddenly vast age gap between him and his wife Sarah struggles to do again what she'd done once before figure out what a signal from the stars contains At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied *American Science Fiction Television and Space* Joel Hawkes, Alexander Christie, Tom Nienhuis, 2023-03-05 This collection reads the science fiction genre and television medium as examples of heterotopia and television as science fiction technology in which forms processes and productions of space and time collide a multiplicity of spaces produced and re-configured The book looks to be a heterotopic production with different chapters and spaces of genre production mediums technologies homes bodies etc reflecting refracting and colliding to offer insight into spatial relationships and the implications of these spaces for a society that increasingly inhabits the world through the space of the screen A focus on American science fiction offers further spatial focus for this study a question of geographical and cultural

borders and influence not only in terms of American science fiction but American television and streaming services The contested hegemonic nature of American science fiction television will be discussed alongside a nation that has significantly been understood even produced through the television screen Essays will examine the various re configurations or productions of space as they collapse into the science fiction heterotopia of television since 1987 the year Star Trek Next Generation began airing

Time in Twenty-First-Century British and American Literature Sonia Front,2025-06-20 This book investigates representations of time in twenty first century Anglo American literature In the digital era characterized by a new regime of time fiction offers revisions of prevalent oppressive notions of time that can serve as productive political strategies to reclaim the agency of the subject This book discusses literary texts that craft innovative temporal structures out of sync with the new time logic suspended temporality Chapter 1 time as a conflation of phenomenological experience and cosmological laws Chapter 2 previewing the future Chapter 3 and networked memory Chapter 4 The proposed politically productive temporalities such as deep presence or resonance compatibilism contingency and the use of narrative as a chronologizing strategy ground a vision of change and suggest a way out of the crisis of time Identifying new timeframes in twenty first century fiction by an array of writers this book demonstrates that literature remains a valid medium for theorizing and representing time
