Flight 232 A Story Of Disaster And Survival:

Flight 232 Laurence Gonzales, 2014-07-01 A richly detailed story that is equal parts heartbreaking inspiring and full of fascinating science masterful San Francisco Chronicle As hundreds of rescue workers waited on the ground United Airlines Flight 232 wallowed drunkenly over the bluffs northwest of Sioux City The plane slammed onto the runway and burst into a vast fireball The rescuers didn't move at first nobody could possibly survive that crash And then people began emerging from the summer corn that lined the runways Miraculously 184 of 296 passengers lived No one has ever attempted the complete reconstruction of a crash of this magnitude Drawing on interviews with hundreds of survivors crew and airport and rescue personnel Laurence Gonzales a commercial pilot himself captures minute by minute the harrowing journey of pilots flying a plane with no controls and flight attendants keeping their calm in the face of certain death He plumbs the hearts and minds of passengers as they pray bargain with God plot their strategies for survival and sacrifice themselves to save others Ultimately he takes us step by step through the gripping scientific detective work in super secret labs to dive into the heart of a flaw smaller than a grain of rice that shows what brought the aircraft down An unforgettable drama of the triumph of heroism over tragedy and human ingenuity over technological breakdown Flight 232 is a masterpiece in the tradition of the greatest aviation stories ever told

Passenger 19C Margo E. Siple, 2022-03-24 Margo Siple was a passenger in seat 19C on the infamous flight of United Airlines Flight 232 flying from Denver to Chicago on July 19 1989 One hour and seven minutes into the flight the number 2 engine on the DC 10 exploded causing complete hydraulic failure Hydraulics in an aircraft is like the blood in your body it is essential to have in order to stay alive and function After forty minutes of trying to fly an uncontrollable jumbo jet using just manual engine thrust the cockpit crew maneuvered the aircraft to within inches of a possible landing in Sioux City Iowa It was not to be At the last minute the plane slammed into the runway then cartwheeling as it was engulfed in flames it seemed to explode with large pieces of the aircraft breaking off and being strewn along the runway The cockpit and the tail section of the aircraft had completely separated from the main fuselage while part of the main fuselage continued to tumble and travel at least 3 4 mile before coming to a stop upside down in the cornfield With 296 souls on board which included the flight crew Margo was one of a very few who survived the crash without a scratch on her while others were horribly injured or perished Passenger 19C is the story of Margo Siple's experience on the crippled aircraft her survival and the aftermath that changed her life as well as other significant events that happened to her before and after the airline crash in which the adversity she faced challenged her and her faith numerous times It is a book about surviving the multitude of adversities that we are all faced with during our lives so that we can apply our life lessons to each and every day that we are blessed with There was no other person in Margo's shoes on Flight 232 in seat 19C just as there is no other person in the world that can tell your personal story We are all significant and unique 158
