readers this work documents how the war that occurred on the other side of the globe in the jungles of Vietnam impacted everyday life in the United States and influenced various entertainment modes. It not only covers the impact of the counterculture revolution, popular music about Vietnam recorded while the war was being fought, and after, and films made immediately following the end of the war in the 1970s, but also draws connections to more modern events and popular culture expressions such as films made in the aftermath of September 11, 2001. Attention is paid to the impact of social movements like the environmental movement and the civil rights movement and their relationships to the Vietnam War. The set will also highlight how the experiences and events of the Vietnam War are still impacting current generations through television shows such as *Mad Men*, *Military Review*, 1987, *Federal Register*, 2003, **Shooting Straight** Kenneth Lamar Evans, 2000, **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1975, Television Series of the 1960s Vincent Terrace, 2016-08-30. By 1960, watching television had become the pastime of millions of viewers around the world. Week after week, audiences tuned in to watch their favorite programs and catch up with their favorite characters. During the 1960s, some of the most beloved shows of all time originally aired, including *The Andy Griffith Show*, *The Fugitive*, *Get Smart*, *The Man from U N C L E*, and *The Wild Wild West*. Even after these shows departed the airwaves, they lived on in syndication, entertaining several generations of viewers. Devoted and casual fans alike can probably remember basic facts about these shows, like the name of Rob Petrie's boss on *The Dick Van Dyke Show* or the original captain of the *USS Enterprise*, but more obscure facts like Barney Fife's middle name might be harder to recall. In *Television Series of the 1960s: Essential Facts and Quirky Details*, Vincent Terrace presents readers with a cornucopia of information about more than seventy-five programs from the decade. For example, did you know that on *The Addams Family*, Lurch's mother wanted him to become a jockey? Or that on *The Avengers*, John Steed had a pet dog named Freckles? Or that Patty and Cathy Lane of *The Patty Duke Show* had a distant cousin named Betsy Lane? These are but a few of the hundreds of fun and intriguing specifics contained within this volume. Shows from all three major networks, ABC, CBS, and NBC, as well as select syndicated programs, are represented here. This is not a book of opinions or essays about specific television programs, but a treasure trove of the facts associated with each of these programs. From Mister Ed's social security number to the zip code for Hooterville on *Green Acres*, readers will discover a wealth of fascinating information that for the most part cannot be found anywhere else. In some cases, the factual data detailed herein is the only such documentation that exists. *Television Series of the 1960s* is the ideal reference for fans of this decade and anyone looking to stump even the most knowledgeable trivia expert. **Victor's War** Victor Delnora, 2001, **Resources in Education**, 1996-05, *Research in Education*, 1973, AV Guide, 1955, **The Living Church**, 1952.
