[Street Photography](#) Andrew "Fundy" Funderburg, 2018-07-15 To Andrew Fundy Funderburg street photography means hitting the streets with a simple camera or even a phone and capturing everyday life To do it well the photographer has to be part of the action part of the moment He or she must be willing to be yelled at and brave enough to pick up that camera and point it at a stranger And when the moment is perfect magic happens the viewer can see into the moment and the soul of the person in the photograph and that

split second exposure becomes a slice of history frozen in time In addition to being an artform however street photography has the power to preserve the history of a city or neighborhood and bring its citizens together It has the power to save the story of the time place and people and sometimes even prove the value of a place that is worthy of preservation After all it is not usually the people going to work in giant office buildings that give a place its character it is the bartenders the waiters the street vendors the lifetime residents and even the homeless characters that make a town truly come alive [Mirrorless Interchangeable Lens Camera](#) Steve Anshell,2019-02-14 Mirrorless interchangeable lens cameras are changing the way images are captured being far more in line with modern photography trends and sensibilities With Mirrorless Interchangeable Lens Camera Getting the Most from Your MILC you will learn why this is happening and how to get the most from your mirrorless camera This guide covers everything you need to know about the difference between a mirrorless camera and a DSLR apps lenses video recording and picture profiling features You will learn how to use your mirrorless interchangeable lens camera for different genres of photography including landscape travel low light street photography portraiture and more Written by expert and skilled instructor Steve Anshell this book includes 198 inspirational and instructional images with 154 in full color with insights and photographs from 9 professional photographers It is the perfect guide for established photographers not yet aware of the wealth of benefits mirrorless interchangeable lens cameras offer and for beginning photographers just starting their career **Focus on Travel Photography** Haje Jan Kamps,2012-09-10 Author Haje Jan Kamps knows that you are travelling for two good reasons to experience great things and to get great photos of your travels He also understands very well how people's eyes tend to glaze over when phrases like Circles of Confusion or the Inverse Square Law are brandished about and focuses instead on great photographs and how to take them A realistic and easy to follow approach to travel photography puts the fun back into photography and by following a series of simple exercises you will learn much more about photography than you would have thought possible Focus on Travel Photography covers the basics of photography in brief before throwing itself into the real essence of travel photography landscapes people and capturing the spirit of your destination Finally the author explores how you can download edit and distribute your photos while you are on the move all without being overburdened with equipment *Fujifilm X100VI: Pocket Guide* Rocky Nook,2024-05-20 Designed for photographers who haven't memorized every button dial setting and feature on their Fujifilm X100VI Rocky Nook's handy and ultra portable quick reference Pocket Guide helps you get the shot when you are out and about Confirm that your camera is set up properly with the pre shoot checklist Identify every button and dial on your camera Learn the essential modes and settings you need to know Dive deeper with additional features of your camera Execute step by step instructions for shooting multiple exposures in camera HDR time lapse movies and more Follow tips and techniques for getting great shots in typical scenarios portrait landscape freezing action low light etc *Complete Digital Photography, 9th Edition* Ben Long,2019-04-28 In this newly updated ninth edition of the best selling photography book in print since 1999

Ben Long guides you through the creative and challenging world of digital photography Complete Digital Photography 9 has everything you need to know to create great photos from how to master your camera to learning about composition lighting image editing workflow and output Ben also includes a number of shooting exercises in the front part of the book to help you get comfortable with photographic techniques and there are extensive step by step tutorials designed to help you master image editing in Adobe Lightroom Photoshop and other apps With Ben s easy going comprehensive teaching style you ll be amazed at the results you get from Complete Digital Photography Mastering Flash With Fujifilm X Cameras (B&W Edition) Tony Phillips,2014-11-25 Master Fuji flash with confidence If you are in any way uncertain about using flash with Fujifilm cameras then this book will make it simple for you It s Advanced Lighting 101 for Fujifilm including making manual flash a breeze This book is for ALL Fujifilm X camera owners who want to improve their use of flash both on and off the camera The tools and techniques discussed apply equally to shooting snapshots weddings portraits travel in fact any photography where changing the quality of light gets you the desired outcome The information in this book covers all current X cameras including the XE XT and X Pro series of interchangeable lens cameras as well as the unique real high speed flash sync capability available in fixed lens X100 S T leaf shutter cameras More details can be found at the Friedman Archives Press website
