

Hell no, bro, that's not the real key to your chastity.
I'm wearing this so you don't forget who is the boss.
Your key is kept in a safe place.
Somewhere you can never find it.
But don't worry, it's really safe.
Maybe one day I will decide to open your cage...
it won't be soon, of course.

WARNING I write about characters that struggle with real life issues My characters to date have never done the deed In fact they ve chosen the right path with abstaining from their desire for the right reasons However this book will touch on the subject so be aware Why does a Christian author talk about such things I believe Christians are sinners and we re saved by God s grace We re NOT going to be white as the driven snow and if you think Christians should be you re kidding yourself HOWEVER I believe by accepting Jesus that God gives us the strength and desire to be more like Him when when we re searching for His influence in our lives We re not all going to be there out of the gate and even when we do finally reach that point we re going to fall and stumble Why Because we sin It s human nature Even if we don t want to we re going to

mess up That s the beautiful thing about building a relationship with God He takes us where we are hence characters in this book who are going to say something or do something questionable and brings us to where He wants us to be Isn t that what it s all about Knowing that we all can come to Him no matter how badly we ve screwed up This is the whole point of GRACE So heads up to those who have been offended by this or those who may be offended by this please know God loves all of us right where we are and that s whom I m called to write about
