Human-Computer Interaction -- INTERACT 2013 Paula Kotzé, Gary Marsden, Gitte Lindgaard, Janet Wesson, Marco Winckler, 2013-07-30 The four volume set LNCS 8117 8120 constitutes the refereed proceedings of the 14th IFIP TC13 International Conference on Human Computer Interaction INTERACT 2013 held in Cape Town South Africa in September 2013 The 57 papers included in the first volume are organized in topical sections on 3D navigation 3D technologies 3D object manipulation augmented reality cognitive workload cognitive workload and decision support creating effective 3D displays cross cultural intercultural and social issues data entry mechanisms and devices design and evaluation design and evaluation of prototypes design to support creativity designing for inclusiveness designing with and for people with special needs display manipulations and diversity ICT in social development

Twenty Years of Education Transformation in Gauteng 1994 to 2014 Maringe, Felix, Prew, Martin, 2015-05-05 Twenty Years of Education Transformation in Gauteng 1994 to 2014 An Independent Review presents a collection of 15 important essays on different aspects of education in Gauteng since the advent of democracy in 1994 These essays talk to what a provincial education department does and how and why it does these things whether it be about policy resourcing or implementing projects Each essay is written by one or more specialist in the relevant focus area The book is written to be accessible to the general reader as well as being informative and an essential resource for the specialist reader It sheds light on aspects of how a provincial department operates and why and with what consequences certain decisions have been made in education over the last 20 turbulent years both nationally and provincially There has been no attempt to fit the book's chapters into a particular ideological or educational paradigm and as a result the reader will find differing views on various aspects of the Gauteng Department of Education's present and past We leave the reader to decide to what extent the GDE has fulfilled its educational mandate over the last 20 years

Oral history in South Africa Sekgothe Mokgoatšana, 2025-05-06 Colonial and apartheid era historical narratives in South Africa often disregard oral testimonies leaving significant gaps in understanding the country's rich and complex past This scholarly book explores the methodologies and ethics of oral history to address these omissions and to elevate oral testimonies as vital tools in historical scholarship This book brings together ten chapters authored by leading academics and researchers It critically examines how oral history methodologies can be contextualised within South Africa's diverse and multifaceted society Rather than focusing on Eurocentric approaches it emphasises the need to rethink the ethics and practices of oral history from an Afrocentric perspective Through its transdisciplinary and interdisciplinary lens spanning history indigenous knowledge studies museum and archival studies and folklore this book advocates for the recognition of interviewees as knowledge holders fostering meaningful exchanges rather than mere knowledge extraction The authors emphasise the need to protect and expand oral history archives ensuring the representation of marginalised voices and redressing past injustices With original research this volume sheds light on the transformative potential of oral history in South Africa offering new

arguments and perspectives It aims to inspire scholars researchers and specialists to rethink conventional practices and to bridge the divide between written and oral histories This is essential literature for scholars and practitioners in history oral history theology museum studies and related fields as it reimagines the role of oral testimonies in producing inclusive and credible historical narratives
