**Miami Vice** Steven Sanders,2010 Discusses the aesthetic appeal production history philosophical themes and enduring importance of the groundbreaking 1980s television series There may be no more iconic image of mid 1980s network television than Sonny Crockett and Ricardo Tubbs speeding down Biscayne Boulevard in Crockett s sleek black Ferrari on Miami Vice With its unprecedented 13 million per episode budget and executive producer Michael Mann at the helm Miami Vice brought feature film production values to prime time and redefined the television police drama In Miami Vice author Steven Sanders argues that the show s themes narratives visual realization and sound design created a new standard of crime television that has its roots in classic film noir and neo noir In chapter 1 Sanders describes the social political and cultural background that led Anthony Yerkovich creator of Miami Vice and Mann to use Miami and its beaches not merely as a backdrop but as a character in its own right Along with the show s visual aspects Sanders identifies themes of ambiguity alienation personal identity and irony that came to define the distinctive TV noir style of Miami Vice In chapter 2 Sanders discusses four key episodes to examine the existentialist and postmodern themes that can be found in their story lines and

visual style In chapter 3 Sanders considers questions of authenticity redemption and politics in Miami Vice with reference to episodes that demonstrate the show's attention to the political corruption and intrigue surrounding the war on drugs In the final chapter Sanders offers a novel explanation of why Miami Vice matters to film and video scholars Miami Vice's visual and musical appeal cultural resonance and topicality made it absorbing entertainment in its own day Sanders proves that its exploration of social moral political and philosophical issues make it worth watching twenty five years later Fans of the show and scholars of television history and American popular culture will appreciate this illuminating look at Miami Vice
