High Yield Seven Disciplines Of The Fruitful Leader:

High Yield Lovett H. Weems JR., Tom Berlin, 2014-10-21 Just as in the world of agriculture many variables influence fruitfulness Leader behaviors are among the most important of those variables Whether by training or intuition fruitful leaders develop a set of practices that serve them well and bear much fruit These practices often become second nature to these leaders and thus they seldom think to share them with other leaders who may be struggling Dr Lovett H Weems Jr and Tom Berlin provide a vital resource to leaders through High Yield a book that consists of a series of short chapters on leadership practices the authors have found most fruitful in their leadership and what they've seen exemplified in others While many of these practices are common among diverse leaders their implementation is as unique as the leaders themselves

Defying Gravity Leader Guide Tom Berlin, 2016-04-04 Our possessions can create unbearable weight and affect our ability to serve and thrive How do we defy gravity and find freedom In this 4 week small group study and stewardship campaign pastor and author Tom Berlin explores what is required to sustain a vibrant life what we need versus what we want and what we can do to avoid being pulled into the orbit of materialism This 64 page Leader Guide contains everything needed to guide a group through the 4 week group study as part of the stewardship program Includes session plans discussion questions and activities based on the book and DVD as well as multiple format options

The Adept Church Dr. F. Douglas Powe JR., 2020-04-21 A theologically grounded yet practical user friendly guide for church leaders seeking to save their churches A methodical logical approach for strategic development and decision making A clear process for showing congregations how to define their reality and a map showing the way to move forward Offers a clear process to help congregations understand their situation by taking an honest look in the mirror Helps congregations build a realistic roadmap for moving forward Illustrates how the status quo institutionalism is rewarded and that seeking transformation goes against institutionalism Outlines what it means to be an adept church a church that can navigate between a rock and a hard

place because it makes decisions based upon where it needs to go and not where it is currently Provides practical first step for congregations to move forward Blank Slate Lia McIntosh,Jasmine Smothers,Rodney Thomas Smothers,2019-03-19

The church must get unstuck from its current context in order to address the context of younger generations otherwise it will not be relevant to younger people and will die with the older generations As an example a letter from the Younger Generations to Baby Boomers Dear Baby Boomers Thank you for all you ve done but I don t want your church I want you our relationship our engagement but not your church structure and outdated assumptions Signed The Younger Generations

Blank Slate guides leaders to envision and actually design the future church The authors start by describing each generational group currently living in the US helping readers understand the varied context of people in every age group Next they explore five innovative secular organizations drawing sharp lessons for the church The last section includes a seven step process for ministry leaders to engage current and upcoming generations This book with questions for individual and group reflection in each chapter is a powerful planning tool for ministry teams In a time when so many of us want a blueprint for how to do ministry in a rapidly changing world McIntosh Smothers and Smothers hand us a pencil and tell us to draw it ourselves God has entrusted us to be the designers and visionaries for a new way Blank Slate is the guide that you and your team need to design a new future together Jacob Armstrong pastor Providence Church Mt Juliet TN Defying Gravity Tom Berlin,2016-04-04 Our possessions can create unbearable weight and affect our ability to serve and thrive How do we defy gravity and find freedom In this 4 week small group study and stewardship campaign pastor and author Tom Berlin explores what is required to sustain a vibrant life what we need versus what we want and what we can do to avoid being pulled into the orbit of materialism **Restored Leader Guide** Tom Berlin,2016-11-29 Often we make a mess of our lives and wonder if there is any redemption In this six week study pastor and author Tom Berlin helps us see our mess through the eyes of Christ to find redemption and restoration Using Scripture devotional tools and the writings of Ignatius of Loyola John of the Cross St Augustine John Wesley Evelyn Underhill and others Berlin encourages reflection and meditation through our own brokenness Only then can we focus on the cross as the place where we truly surrender control leave our mess and find redemption The **Leader Guide** contains everything needed to guide a group through the 6 week study for Lent including session plans and discussion questions as well as multiple format options *Advances in Global Leadership* Joyce S. Enlow Jr.,2013-02-08 No Not another book on leadership That was my first reaction as I received the manuscript of this book Upon careful reading I came to realize that Dr Enlow has artistically captured the essence of leading by influence and has presented it in a clear and

colorful way As a veteran leader Dr Enlow speaks from vast experience but it is not merely subjective anecdotal experience The book is firmly rooted in serious and current research As I meet leaders from all over the globe I am no longer hesitant what to recommend them to read Riad Kassis director of Langham Scholars Ministry international director of the International Council for Evangelical Theological Education This book under promises and over delivers with a powerful palette of leadership wisdom But drop everything right now and read the warning in the last chapter on doxological leadership I am recommending this book to all my clients and I will likely reread this gem once a year Its that important John Pearson consultant www.johnpearsonassociates.com and author of *Mastering the Management Buckets* **Personal and Social Traits Requisite for High Grade Teaching in Secondary Schools** John Raymond Shannon, 1928 **Early Leaders of American Nursing** National League of Nursing Education (U.S.), 1924 The Lancet , 1927 The Churchman , 1900 The Christian Advocate , 1928 **The New Era** , 1926 **Education for the New Era** , 1927 Roster and Proceedings of the ...
