High Definition Commentary Philippians:

High Definition Commentary Steven E. Runge, 2013-11 The High Definition Commentary series is practical and accessible. Each volume combines analysis of the biblical book's plot twists, shocking moments, and climax with professional graphics to offer a Bible commentary in high definition. In **High Definition Commentary Philippians**, Dr. Steven Runge leverages his linguistic knowledge to explain how Paul helped the Philippian church deal with interpersonal conflicts and grow in their relationship with God. Runge traces the linguistic and literary clues that identify each passage's big ideas. Using jargon-free exposition, he walks you through Philippians' flow and development. Personal illustrations and stories help you understand what each concept looks like in practice. Then the custom artwork brings it all together, helping make Paul's message applicable and memorable. The result: a commentary that perfectly blends a linguist's understanding of the Bible with passion, application, and art.

Key Features: Fully customized graphics perfect for teaching; 2-3 images for each Scripture section; Expositional commentary based on discourse analysis; Praise for Steven Runge.

Steven Runge has made a valuable contribution to the revolution in discourse linguistics by his insightful analysis of each New Testament book in his *Discourse Grammar of the Greek New Testament*. Now he has taken the next step and provided a theoretical base for his applications in *Discourse Grammar of the Greek New Testament*.

I commend his pioneering work for serious consideration by all New Testament students and scholars. I have always been interested in any type of analysis that will help me understand the New Testament better. *Discourse Grammar of the Greek New Testament* has helped me to do just that. Dr. William Varner, Professor of Greek Exegesis, The Masters College.

Philippians: the Theology of Joy Edward L. Kanniah, 2018-12-13 Joy in the Christian life has never been a divine suggestion but an indelible part of His new creation yet we have found that much of what is today dubbed Christianity lacks this intrinsic feature. As to naming the source of the problem we have found many views. But this author has but one to name and that is the laziness of modern Christians in understanding their position in Christ. Christians do not make the study of the scriptures a lifestyle. Joy as a concept was God's invention not man's and yet today people are convinced that they can obtain this blessing without Him. He gave it and outlined only in His Word how to get it and keep it. This is why I call it a theology and not a philosophy. It requires thinking biblically. A pastor of a local church and loves teaching the Bible verse by verse.

Linguistics and New Testament Greek David Alan Black, Benjamin L. Merkle, 2020-10-27 This work offers students the most current discussion of the major issues in Greek and linguistics by leading authorities in the field. Featuring an all-star lineup of New Testament Greek scholars including Stanley Porter, Constantine Campbell, Stephen Levinsohn, Jonathan Pennington, and Robert Plummer, it examines the latest advancements in New Testament Greek linguistics, making it an ideal intermediate supplemental Greek textbook. Chapters cover key topics such as verbal aspect, the perfect tense deponency, and the middle voice discourse analysis, word order, and pronunciation.
