## High Society Down:

High Society Down C.R. Moore, 2014-12-16 It is March 2017 and Tom and Shirley Smith are embracing a new chapter in their lives after Tom's retirement from the Air Force. With the country teetering on the brink of economic collapse, Tom and Shirley relocate to Turnerville, Mississippi, to renovate an old farmhouse. Seeking a safe haven from what they anticipate will be a dismal future in America, the retired couple settles in without any idea of what lies ahead. After a trip to the local hardware store prompts an introduction to the owner, he invites the Smiths to a party where they are introduced to a group of affluent people who share their political views. Soon the Smiths have several new friends known for hosting elaborate parties at their magnificent plantation estates. In the midst of elegant soirees, ongoing dinner parties, and economic collapse and recovery, there are episodes of personal tragedy that bring this group of friends even closer together as they offer one another love and support. *High Society Down* is the compelling tale about a well-to-do group of friends in a small Mississippi town who stand together through success, failure, and tragedy and learn to appreciate the simplest of things in life. *Sitting Down With Granddaddy* Jennifer Johnson, 2009-08-12 An epic saga of generational strengths and weaknesses, James Rawlings, a young aspiring attorney, allows Rev. Charles Winters to blackmail him into marrying his treacherous, self-absorbed daughter, Lillian, unwittingly opening the door to the sin of pride, renouncing the truthful firm lessons of wisdom that had formerly been his constant companion and guide. Unfortunately, pride always goes before destruction, and a haughty spirit before a fall. For there is a way that seems right to a man, but the end of that way is death. Down, Dirty and Divine Stephanie Clarke, 2012-08-16 *Down, Dirty and Divine* is an invitation to readers to go on a meaningful and transformational journey through the underground of London and to assist in healing the City whilst also cleansing their own soul and the soul of the planet. Murder and madness, death and disease, crime and corruption, pain and punishment, ghouls and ghosts: this is London's morbid history. But it is humanity's history too. Rev. Stephanie Clarke answers the question: how can we heal? Selecting 12 London Underground Tube Stations as the physical and spiritual entry points into the City's underbelly, she offers readers some historical information, some personal reflection, and an affirmative prayer to heal the particular trauma associated with the site of each Tube Station. In a dream state, the author was told that the 2012 Olympic Games would stimulate an unprecedented convergence of the masses upon the City of London and would be a powerful catalyst to usher in global transformation. Serendipitously, many of London's great citizens, including Sir Christopher Wren, the architect of St Paul's Cathedral, have long held the vision of London as the New Jerusalem, a celestial city of light and a universal centre of peace and reconciliation. *Down, Dirty and Divine* is a spiritual tour guide, inviting readers to be active instruments in the fulfillment of this grand planetary vision in 2012 and beyond. Roll Down Your Window Juan Gonzalez, 1995 Juan Gonzalez described by the Village Voice as the most radical person in the above-it-all world of New York daily journalism, is a reporter who takes as his beat the streets and projects of America's inner cities and the barrios across its southern borders. In these passionate

and vivid despatches he reports from the frontline of a social crisis which stretches from New York to Los Angeles across the Rio Grande to Mexico's maquiladoras through to Haiti Honduras and Cuba Written not just about the ghetto but from it Gonzalez's stories portray workers on strike refugees on the run owners on the make and a journalist on the case Together they bring us face to face with human beings whose tragedies illuminate the landscape of a forgotten America
