**STRAIGHT UP!** A.G. TERRILL, 2014-07-02 Between Television Movies Books Newspapers the Internet and even the person next door today's moral values have been compromised to the extent that for most people they no longer agree with God's values and God's Laws You have people today who are so concerned with being politically correct and not offending anyone that they see SIN all around them and say or do nothing So others come to believe that the SIN is acceptable even normal behavior This book will attempt to show the average Christian what God really expects and what he really rejects when dealing with many of today's most confusing questions Each question will be covered in one chapter so the answers will be quick and easy to find allowing Bible scriptures to guide the reader to their answers

**The Publishers' Circular and Booksellers' Record of British and Foreign Literature**, 1891 **British Books**, 1900 *Conspiracy or Faith ~ the Building of the God Kind of House* Ollie Fobbs, 2017-02-04 Conspiracy or faith is about the concepts that makes faith a reality to build the God kind of house is about building up our faith based on the reality of the house being built we all know that faith comes through hearing however what if that in which you hear is not of the faith Yes this happens every single day There are tons of things in front of us all around us and right next to us that have nothing to do with faith in God but we then allow these things to be a part of our lives when we should be tossing them out of our lives The true convictions of faith are quite simple but there are those that say that it is quite hard the truth is the truth and the truth will indeed set us free but then what really is truth The standards of our day is this the lie is accepted the truth is rejected You want to make someone angry Tell them the truth it will destroy your relationship with them However that means that they were not meant to grow with you
