Godfather of Night Kevin Pappas, 2009-08-11 What if you belonged nowhere and to no one What if you learned as a teenager that the father who had mistreated you for years wasn't your father at all and that you were actually born to the mistress of a Greek gangster And what if the only way to connect with your real father was to become his fiercest rival Kevin Cunningham grew up in Tarpon Springs Florida just another kid from the wrong side of the tracks But from his first days Kevin gravitated toward power and in Tarpon Springs that meant local crime boss Lukie Pappas As a boy Kevin hung out at the Pappas Restaurant and he saw how the townspeople approached Lukie How they respected him How they came to him for help How they called him nounos Greek for godfather From the shadows Kevin admired it all When he turned seventeen Kevin's world flipped upside down His dying father confessed that Kevin was the son of another man and not just any man He was the son of Lukie Pappas Suddenly Kevin's destiny was clear His lineage became his fate His rightful place was beside the Greek godfather who ruled his hometown But Lukie coldly rejected him as both a son and a colleague Fueled by rage and pride Kevin claimed the Pappas name as his own and embarked on his own criminal enterprise From two bit swindling he rose quickly to high stakes drug trafficking Money laundering gunrunning and racketeering polished his underworld résumé even as they placed him squarely in the crosshairs of every federal agency with three initials and a most wanted list And when he got caught Kevin's time behind bars only honed his criminal instinct hardened his resolve and cemented his reputation as a larger than life outlaw who sometimes went down but could never be taken out Still in his early twenties but as powerful as any crime boss Kevin surrounded himself with an elite group a posse that called itself the Band of Five Flush with fast cars boats planes and women they wanted for nothing but their antics invited violent attempts to bring Kevin to his senses or at least to his knees More than a gripping tale *Godfather of Night* unveils the Greek American crime syndicate and its close alignment to power and takes readers to a dark place where family secrets collide with high level crime and corruption Kevin Pappas's story is a true crime epic for a new generation of wiseguys full of the harrowing war stories and hard won wisdom of a man who lived by his own rules broke everyone else's and dared the world to try to stop him From the Hardcover edition

This book explores the narratives of girlhood in contemporary YA vampire fiction, bringing into the spotlight the genre's radical, ambivalent, and contradictory visions of young femininity. Agnieszka Stasiewicz-Bieńkowska considers less explored popular vampire series for girls, particularly those by P. C. and Kristin Cast and Richelle Mead, tracing the ways in which they engage in larger cultural conversations on girlhood in the Western world. Mapping the interactions between girl and vampire corporealities, delving into the unconventional tales of vampire romance and girl sexual expressions, examining the narratives of women and violence, and venturing into the uncanny vampire classroom to unmask its critique of present-day schooling, the volume offers a new perspective on the vampire genre and an engaging insight into the complexities of growing up a girl.
