*Change from the Inside Out* Erika Andersen, 2021-10-26

Change initiatives fail because humans are hardwired to return to what s worked for us in the past This book offers a straightforward process for rewiring ourselves and those we lead to be more change capable Erika Andersen says avoiding change has been a historical imperative In this book she shows how we can overcome that reluctance and get good at making necessary change Using a fictional story about a jewelry business changing generational hands Andersen lays out a five step model for addressing both this human side of change and its practical aspects

Step 1 Clarify the change and why it s needed Get clear on what the change is and the benefits it will bring

Step 2 Envision the future state Build a shared picture of the post change future

Step 3 Build the change Bring together a change team engage key stakeholders and plan the change

Step 4 Lead the transition Build a transition plan that supports the human side of the change then engage the whole organization in making the change

Step 5 Keep the change going Work to make your organization permanently more change capable

With opportunities to self reflect and try out the ideas and approaches throughout this book is a practical guide to thriving in this era of nonstop change
