**Indie Author's Toolbox: How to create, publish, and market your Kindle book** Nick Vulich, 2014-06-29 Read this if you want to sell more books make more money as an author or rank higher in your category My name is Nick Vulich The first thing you should know about me is I m not a writer and I m not an expert on self publishing either I never worked in

the industry and I don't have any experience working for the big publishers. In fact, the only thing I consider myself an expert in is how to sell on eBay, Amazon, and Fiverr. So why should you listen to me? Like most indie authors, I came into publishing through the back door. I had a story to tell, and one day I just sat down and let it all come out. What I wrote wasn't pretty or polished, but it helped a lot of people sell more stuff on eBay. What I couldn't say with fancy prose I made up for with enthusiasm. Because of that, my books sold. I'm not going to lie to you. It wasn't easy. I read just about every book available on self-publishing. I studied up on KDP Free days, Countdown Deals, price pulsing. *Amazon KDP Account Closure: How to get through the nightmare!* Lexi Warrior, In 2023 my KDP Amazon account was unexpectedly closed, a horrifying experience for any full-time writer exclusive to KDP. As well as describing the process I went through to get my account restored, this publication details a checklist of actions any KDP Author would be well advised to undertake now, just in case the worst happens. Written entirely from my own experience and not including any formal advice from Amazon, this publication covers:

- 1 Preventative actions: What I wish I'd done in preparation.
- 2 Appealing the closure decision: what options were available to me.
- 3 Account restoration: Things to be aware of in the chaotic aftermath, which was considerable.
- 4 Life Beyond Amazon: Bright rays of sunshine in the cloud of despair.

[Produce, Price and Promote Your Self-Published Fiction or Non-fiction Book and e-Book](#) Paul Lima, 2013-07. If you are interested in this book, I presume you have written a book or plan to write one and are thinking of self-publishing it. If so, this is the place to start. If you self-publish a non-fiction book of interest to a defined target market or a book of fiction for people who read the genre you have produced, you can begin to promote it to interested readers. I have sold close to 10,000 books. So while I'm not E.L. James, author of the originally self-published *50 Shades of Grey*, I am a happy and profitable self-published author. Perhaps you can become one too. Having said that, your desire to self-publish may not be all about book sales. You may be looking to write a book to give to family and friends. You may be looking to gain the credibility that publishing a book gives a speaker or workshop leader. You may have other reasons for publishing your book. No matter your reason, this book will answer many of your self-publishing questions, point you in the right direction, and get you started. In short, as the title says, this book will help you produce, price, and promote your self-published book.
