How Your Favorite Meal Could be Killing You Slowly Table of Contents Introduction Meals Associated With Common Chronic Diseases Popular Natural and Healthy Meals Dangerous Ingredients to Look Out For What You Must Know About Alcoholic Drinks Signs That Your Health Is Deteriorating How to live a healthy lifestyle Conclusion Author Bio Publisher Introduction According to American Diabetes Association there are about 25.8 million diabetic Americans as of 2013. Each year about 1.9 million more Americans are diagnosed with diabetes. Millions of Americans also live with other chronic and acute diseases including cancer, rheumatoid arthritis, and coronary artery disease. Whereas some of these medical conditions can be treated or controlled, there are those that are simply incurable. Even those that can be treated will have a huge impact on your financial status, especially if you don't have sufficient medical insurance cover. It is also possible that such diseases may affect your general health and body immune system. With all these facts, it is up to you to take measures to avoid them. Throughout the world, countless scientific research projects have been commissioned in order to unravel the causes and cures to chronic and acute diseases. Even though there is no known common cause of all these diseases, scientists generally agree that some meals and lifestyles increase the probability of acquiring such diseases. This means that you must always be very careful about what you frequently eat or drink. Some meals and drinks have positive health benefits but may negatively affect your health if taken in excessive amounts. It is therefore your responsibility to eat or drink in moderation. Your general lifestyle could also affect your health and lead to conditions such as obesity. With the book *How Your Favorite Meal Could Be Killing You Slowly*, you'll have an insight into the meals that may negatively affect your health. By reading this book, you'll also learn the ingredients to avoid when buying convenience meals. If you're interested in natural healthy meals, all you need to do is read this book and you'll know how to go about it. Live a long and healthy lifestyle by reading the book *How Your Favorite Meal Could Be Killing You Slowly*.

Minimalism - How to Minimize Your Monthly Expenses Colvin Tonya Nyakundi, John Davidson, 2015-05-07

Introduction Minimizing Money Used For Utility Bills Minimizing Your Monthly Transportation Expenditure Minimizing Your Monthly Expenditure on Meals and drinks Entertainment and Relaxation Medical Expenses School Fees jewelry and Apparel Conclusion Author Bio Publisher Introduction An average family in the United States earns about 50,000 annually. That figure translates to slightly more than 4,000 each month. With the ever-increasing prices of basic commodities and the high cost of living, it is quite important that you learn how to minimize your monthly expenditure. Regardless of the amount of money you earn, you have to save as much cash as possible so as to safeguard your future. It is very unfortunate that some people have poor money management skills to the extent that they exhaust their income before the end of the month. Such people end up having huge debts and may be forced to sell some of their property in future. Some of the factors that determine the amount of cash you spend include your

lifestyle membership to clubs and living conditions Do you know that you can save so much cash by simply reducing the money you spend on paying professional cleaners and gardeners Why don t you do the job whenever you have the time to do it The book Expert Advice on How to Minimize Your Monthly Expenses is designed to help you know what to do and what not to do so as to save as much money as possible After reading this book you ll know how you can minimize the money you use for meals travelling to from work apparel entertainment utility bills school fees and medical expenses Enjoy reading the book Expert Advice on How to Minimize Your Monthly Expenses     Simplify Your Life - How to De-Clutter Your Home and Life Colvin Tonya Nyakundi,John Davidson,2015-05-12 Introduction What Do You Have in Your Home What is going On in Your Life Why You Need to De Clutter Your Home and Life Getting Rid of the Clutter in Your Home Getting Rid of the Clutter in Your Life Conclusion Author Bio Publisher Introduction Do you feel like a lot is going on in your life and you don t know what to do Is your home full of so much junk that you don t know where to begin No need to worry about anything because you are not alone Never imagine for even a second that everybody in the world is happy except you Even that employee that looks very organized and hardworking could be having serious problems at home or in his personal life You have to do something about all the clutter that has been accumulating in your home over the past few years You also have to do something to improve your lifestyle and live happily This book will help you understand yourself and know how you can get rid of all the stuff in your home The book is also designed to help you manage your lifestyle and relationship with members of the opposite sex After reading the book you ll know exactly what to do so as to have a better lifestyle and enjoyable relationships Before you start de cluttering you need to understand your home and everything in there You also need to understand what is happening in your life How big is your home How many people can be comfortably accommodated in your home How much stuff have you bought recently How can you clean your home and get rid of the clutter in there If you read this book you can rest assured that you ll have all the answers that you ve been asking yourself about how to de clutter your home and life

**How to Succeed in a Job Interview** Colvin Tonya Nyakundi,John Davidson, Table of Contents Introduction Preparations before the Interview How to Answer Frequently Asked Questions Apparel and Grooming First Impressionand Language Used What to Carry and What Not To Carry Conclusion Author Bio Publisher Introduction Some people are lucky enough to get several job opportunities in their lifetime Others are unlucky and get just a few job opportunities Since you can never be sure of whether you re one of the lucky or unlucky ones you have to do everything you can to get a good job as soon as an opportunity arises As soon as there is a vacant position in any firm an advertisement will be placed on several platforms to invite qualified people to apply to this position If you applied for the job and were shortlisted as a potential employee the firm will go ahead and invite you to an interview The interview will be the single most important determinant of whether you re going to get that job or not Throughout the world companies shortlist several candidates before the best one can be selected to fill a vacant position This means that you won t be the only person being interviewed for that job It is up to you to convince

the interviewer s why they should hire you and not any of the other applicants to that position You have to be highly distinguishable from all the others There are several things that you can do before during and after the interview so as to increase the probability of getting that job Some of the factors that might influence whether you ll get the job include your dressing code and grooming first impression qualifications and how well you answer questions asked by the interviewer If you can control all these factors then you can rest assured that the job is yours This means that you have to be thoroughly prepared and know what to expect before during and after the interview The book *How to succeed in a Job Interview* is equipped with everything you need to do before during and after the interview With the tips listed in this book you will significantly increase chances of getting that job that you ve been dreaming of Apart from helping you prepare for a job interview this book will guide you on any other interview including a promotion admission to college television interview and even when preparing for an interview after applying for a bank loan Start your journey to your dream job by reading the book *How to succeed in a Job Interview*      *How to Survive in the Woods* Colvin Tonya Nyakundi, John Davidson, Table of Contents Introduction Who Needs to Know How to Survive in the Woods What You Need In Order To Survive Deadly Animals to Avoid What to Do During the Day and Night Conclusion Author Bio Publisher Introduction The beautiful scenery and fresh and breathtaking views of forests makes them some of the best places to visit There are countless number of attractive plant and animal species in forests and therefore most people are tempted to go deeper and deeper into the woods When venturing into the forest you might find yourself lost within a few hours of entering it Unless you know your way out of the forest you ll be forced to spend a few days in the forest while waiting for help or trying to figure out how to get out This means that the only way you can be alive and healthy when help arrives is by knowing how to survive in the forest Unlike deserts and dry areas forests are characterized by heavy rains and mud throughout the year In Polar Regions temperatures in the forest are always extremely low and may freeze you to death With these harsh conditions it is normally very difficult to move around while in a forest It is therefore up to you to make sure that you know how to survive in the woods while looking for your way out Unlike in inhabited areas it is quite difficult to send out a distress signal while in the middle of the forest Calling for help might also be impossible because of poor or no cellphone network coverage in most parts of the forest If you re keen on coming out of the woods alive you must never avoid knowing how to survive in it The book *How to survive in the Woods* is equipped with everything you need to know in order to survive in the woods Inside the book you ll find step by step guidelines on what to do and what not to do so as to stay alive and healthy in the woods By reading this book you ll know how to prepare for an excursion into the woods and also how to make sure that you don t get lost in the forest In case you get lost the tips listed in this book will help you know how to find your way back home or call for help By reading this book you ll also get to know where to get food and water while in the woods This means that you won t die of starvation if you read this book before going anywhere near a forest Enjoy reading the book *How to survive in the Woods*      *How to Become an Expert at Writing eBooks*
