How To War In The Spirit:

Waging Winning War in the Spirit Realm James V Potter Ph D, Paula M Potter Ma, 2011-07-28 Most books on Spiritual Warfare focus on the power of our enemy or on specific strategies in carrying out warfare against this enemy In contrast this volume looks at what one who aspires to become a spiritual warrior must do to equip him or herself for battle The Apostle Paul stated that the task of those who are called upon by God and equipped by Holy Spirit as Apostles Prophets Evangelists and Shepherding Teachers is to equip God s people for works of service that build up the body of the Messiah the Church until we all arrive at the unity implied by having faith in and knowing the Son of God thereby developing the standard of the Messiah s maturity and perfection Ephesians 4 11 13 Dr James V Potter and Paula Potter MA authors of more than a score of books many of which are used as texts by colleges and universities and are found in the libraries of counselors and therapists now turn their skills to this labor of love the equipping of the saints a labor they first undertook in their foundational work titled *Soul Care An Introduction to Pastoral Care* first published in 1989 Unlike most training manuals on spiritual warfare this volume ends where most others begin by engaging the principalities and powers of darkness Sadly that approach has resulted in the spiritual battlefield being strewn with bruised and battered souls of saints who rushed into battle without first preparing for war This is the focus of this book the personal preparedness for engaging spiritual enemies The content is reflected by the titles of the ten chapters 1 Conflict in the Cosmos 2 War on Planet Earth 3 Introducing the Enemy 4 Equipping for Battle 5 Praying in Power 6 Living on God s Promises 7 Pursuing Personal Purity 8 Invoking Spiritual Artillery 9 Practicing for Combat 10 Engaging the Enemy The content of these ten chapters will prepare the aspiring spiritual warrior to meet our spiritual enemies as their superiors guaranteed success over them who are in every way spiritually inferior As one reads the words penned by Dr James and Paula Potter they will realize that Satan s greatest lie which most in the church have believed is that we God s Children are the inferior ones and they the powers of darkness our superiors Nothing is further from the truth but unless one understands this as they prepare for spiritual warfare the psychological battle has already been fought and they are the losers It is high time that we understand the lies of the enemy and the truth of God and it is these that authors Dr James Potter and Paula Potter husband and wife make poignantly clear *Waging Winning War in the Spirit Realm* comprises a series of four volumes this volume *Prepare for War* being Volume 1 Volume 2 examines the Synagogue of Satan identifying many of his demonic principalities ruling powers and cosmic forces Volume 3 examines specific strategies of spiritual warfare strategies designed to insure success in specific situations and circumstances Finally Volume 4 is a tapestry of testimonies songs of thanksgiving and praise from spiritual warriors who being prepared in advance for their part in the conflict of the cosmos that God has given us the victory that overcomes the world through our spirit to Spirit union with Jesus Christ 1 Cor 15 57 1 Jn 5 4 *Equipped for Battle* Shelita Anderson, 2019-09-04 *Equipped for Battle* 7 Principles for Spiritual Warfare was written with you in mind There is always a war going on and the war is not with flesh

and blood The war is with principalities and powers and the rulers of darkness Ephesians 6 12 and the only way to win is to engage the enemy through the Spirit of God Do you have the weapons that are necessary to fight this battle Have you developed your spiritual skills to pull down strongholds 2 Corinthians 10 4 Is your mind trained to overcome adversity as the enemy attempts to bombard your mind Ephesians 4 23 These are questions that you can explore in this dynamic book Take the principles found in this book along with the Word of God and allow Holy Spirit to lead you and guide you through this journey called life and remember You have the victory through Jesus Christ 2 Corinthians 2 14 The price has already been paid

Give Us This Day Devotionals, Volume 7 Charles Erlandson, 2024-03-29 Give Us This Day is a unique daily devotional commentary for the entire New Testament based on the ancient method called lectio divina Lectio divina or divine reading is the method used by the early church and countless Christians through the centuries to read the Scriptures to form and transform the soul more than merely to inform the mind Give Us This Day deals in depth with entire passages and their

contexts Rather than selecting only certain portions of the New Testament to write about Fr Charles has written a devotional for each and every passage of the New Testament Fr Charles writes for the whole person he s not afraid to use his sense of humor and he carefully relates the Bible not only to the individual s life but also to the life of the Church At the end of each day s devotional an appropriate Prayer is offered as well as Points for Further Reflection on the day s lesson Each devotional concludes with a suggested Resolution to put into effect what the Spirit has stirred up in the heart of the reader during the course of his reading meditation and prayer **How to be Filled Wth the Holy Spirit and Know it** Garrie F.

The Spirit's Tether Mary Ellen Konieczny, 2013-07-01 Cultural conflicts about the family including those surrounding women s social roles abortion same sex marriage and contraception have intensified over the last few decades among Catholics as well as among Americans generally In fact they are the source of much of the political polarization we see But how do individuals in local settings and cultures especially religious ones experience and participate in these conflicts Why are they so resonant By exploring how religion and family life are intertwined in local parish settings Mary Ellen Konieczny seeks to explain how and why Catholics are divided about the family The Spirit s Tether presents a detailed comparative ethnographic analysis of the families and local religious cultures in two Catholic parishes one conservative and one progressive Through an examination of the activities of parish life and the faith stories of parishioners this book reveals how parishes support and shape the ways in which Catholics work out the routines of marriage childrearing and work family balance as well as how they connect these everyday challenges to public politics Local parishes Konieczny argues promote polarization through practices that unintentionally fragment the Catholic tradition
