

# How To Write A Sports Report In 4 Steps

by Freelance Writing

News writing style is just as important for sports reporting as it is for general news, business stories or any other journalistic work.

The advantage of sports writing is that you are allowed a little more leeway in your choice of words. In crime or business writing, you are restricted in your use of adjectives and adverbs and are encouraged to focus more on nouns and verbs. Sports writing, however, allows you to go to town in describing plays, the atmosphere, fans and other colorful aspects of a sporting event.

## Using quotes in Sports Reports

Ideally, any sports story would have quotes from the winners and losers. Indeed, many sports articles are written around what athletes say rather than what they have achieved on the field of play.

However, you also have sports articles written without quotes. When rookies learn how to write like a journalist, especially in sport, they are likely to come across the structure that we will show you here.

We will adapt the NBA game between Boston Celtics and Cleveland Cavaliers on April 1 as our example article.

### 1. Intro

The most important news aspect of a sports game is the score. Who won? How did they win and what effect did the victory have? Also important is whether we are writing from a Boston perspective or Cleveland. In this case, we will go with Cleveland.
