K9 Spirit Guides Heather Leigh Strom, 2023-05-21 We've always suspected dogs are magical angels from God. In *K9 Spirit Guides*, author Heather Leigh Strom gives you proof that our canine companions possess specific divine gifts to facilitate our healing, elevate our awareness, and expand our consciousness as children of God. Man's best friends have their own spirit guides, which is why they appear in our lives just when we need them most. In *K9 Spirit Guides*, she narrates a story of a girl and her dogs. These special dogs found their way to her from throughout the world. However, their clandestine purpose and message wasn't fully understood for decades. This story tells how these special K9 angels led their owner strategically through a divine journey of self-actualization. Strom shares how her painful trauma healed instantly with their guidance, how her dogs brought her complete understanding of her life, who she was, and where she was going, and how they offered healing, peace, and divine spiritual enlightenment decades after they died.
