

January 2014

Dear Sir/Maam,

As we start the annual fiesta in honor of "San Guillermo" in Iponan, Cagayan de Oro City, our organization named Westfield Youth is also on the preparatory stages for the barangay-initiated activities. This religious festival is a yearly barangay-wide activity that involves constituents or people from all walks of life to support financially in order to make it successful. Thus, the fiesta needs full support of the youth who are partly the "financial backers." Without the youth, it needs a long time to carry out the task that hinders the progress and success of the celebration.

It is for this reason that we are sending you this letter, to solicit any assistance that you can provide us from your bountiful hearts that would help us make this event a reality. Any amount given to us will be highly appreciated.

Thank you for your unsparing generosity. We hope to obtain favorable response from you on this matter.

May the Omnipotent God be with all of us -- a promising year of opportunities and blessings!

Respectfully yours,

Jan Kirk Cesar  
Westfield Youth President

**The Governor of Goat Hill** Eddie Curran, 2009-12-31 I think this will make Watergate look like child's play Former Alabama Gov Don Siegelman on Karl Rove's alleged involvement in his prosecution Was Don Siegelman the victim of a Republican conspiracy led by Karl Rove or was he perhaps the most corrupt governor in Alabama history On February 24 2008 60 Minutes delivered a bombshell claims that President Bush's political advisor Karl Rove had assigned an Alabama woman to tail Governor Don Siegelman and take photos of him having extramarital sex The piece also presented an open and shut case that powerful Republicans including Rove and Bob Riley Siegelman's successor as Alabama's governor had somehow ordered the Justice Department to prosecute Siegelman In this book Eddie Curran the investigative reporter whose stories initiated the criminal investigation delivers a far different portrait of the one time golden boy of Alabama Democratic politics Curran leads readers on a first person account of his discoveries including Siegelman's use of his office to collect more than 13 million in legal fees while governor the sale of his home through a straw man for twice its value and a host of scandals involving the likes of Waste Management Inc and Richard Scrushy the deeply corrupt HealthSouth Corp chairman prosecuted along with Siegelman The Governor of Goat Hill is both a scathing portrayal of a New South governor gone bad and an indictment of some of the top names in American journalism who bought into a bogus conspiracy for no reason other than it led to Karl Rove This is a book you will either love or hate One thing you definitely won't find it to be is boring If you believe Don Siegelman got shafted by over zealous intensely partisan prosecutors you will find the case presented against him in great detail making it easier for you to contradict with opposing evidence I consider Don Siegelman a personal friend and this book has not changed my mind He is a man of great ability and it will be up to the reader to decide if he abused the trust that was placed in him or was the victim of a witch hunt orchestrated at the highest levels of American government Bill

bullied Why Bullies Are Cowards is intended to share with school personnel parents and community members that have contact with children the instructional materials and behavior management techniques I utilized to create a bully free classroom environment As bullying statistics and child suicide rates escalate it is time for all concerned to step up and help teach children how to stop being bullying victims perpetrators or bystanders *Vietnam Studies - Allied Participation In Vietnam [Illustrated Edition]* Lieutenant General Stanley Robert Larsen,2014-08-15 Includes 2 tables 5 charts 7 maps and 28 illustrations This book forms part of the Vietnam Studies series produced by various senior commanders who had served in the U S Army during the Vietnam War each officer was chosen for their knowledge of the number of specialized subjects that were covered by the series More than forty nations provided assistance to the Republic of Vietnam in its struggle against North Vietnam This aid ranged from economic and technical assistance to educational and humanitarian contributions Hundreds of Free World civilians worked in Vietnam as doctors teachers and technical specialists Eight nations also provided military assistance The flags of these Free World countries the United States the Republic of Korea Thailand Australia New Zealand the Philippines the Republic of China and Spain flew alongside the colors of the Republic of Vietnam at the headquarters of the Free World Military Assistance Forces in Saigon The military contributions of these nations included combat troops army medical teams and individual political warfare advisers The degree of assistance and co operation among the concerned Free World nations resulted from years of work and involvement While many nations expressed sympathy for the plight of South Vietnam aid did not always come easily quickly or to the extent desired Many nations beset by their own internal economic and political problems could do little to help others did nothing The story of the efforts of the contributing nations and the efforts to enlist their aid is the subject of this monograph **Reports of Cases Decided in the Appellate**
