*I Hate Your Guts* Jim Norton, 2008-11-04 When New York Times bestselling author and comedian Jim Norton isn t paying for massages with happy endings or pretending to be fooled by transsexuals he picks up he spends his time wondering what certain people would look like on fire What do Heather Mills the Reverend Al Sharpton and Dr Phil have in common Jim Norton hates their guts And he probably hates yours too especially if you re a New York Yankee Starbucks employee or Steve Martin In thirty five hilarious essays New York Times bestselling author and comedian Jim Norton spews bile on the people he loathes Enjoy his blistering attacks on Derek Jeter Hillary Clinton fatso Al Roker and mush mouthed Jesse Jackson It s utterly hilarious and utterly relatable if you ve ever bitten a stranger s face or

thrown a bottle through the TV screen while watching the news But don't think Jim just dishes loads of shit on his self proclaimed enemies he is equally atrocious to himself He savages himself for his humiliating days as a white homeboy his balletlike spins in the outfield during a little league game and his embarrassingly botched attempt at a celebrity shout out while taping his new HBO stand up series Uncomfortably honest I Hate Your Guts is probably the best example of emotional vomiting you'll ever read But there is hope at the end of each essay Jim generously offers helpful suggestions as to how the offender can make things right again Eliot Spitzer If you run for re election instead of shaking hands with voters let them smell your fingers Reverend Al Sharpton The next time you feel the need to protest do so dressed as an elk in Ted Nugent's backyard Hillary Clinton When you absolutely must make a point of laughing publicly don't fake it Just think of something that genuinely makes you laugh like lowering taxes or any random male having his penis cut off For the legions of devoted fans who know Jim Norton for his raw sometimes brutal comedy I Hate Your Guts is what you've been waiting for But even more important it's a great book to read while taking a shit      *Bulletin* Peabody Institute (Danvers, Mass.). From early first wave programs such as Candid Camera An American Family and The Real World to the shows on our television screens and portable devices today reality television consistently takes us to cities such as New York Los Angeles and Boston to imagine the place of urbanity in American culture and society Jon Kraszewski offers the first extended account of this phenomenon as he makes the politics of urban space the center of his history and theory of reality television Kraszewski situates reality television in a larger economic transformation that started in the 1980s when America went from an industrial economy when cities were home to all classes to its post industrial economy as cities became key points in a web of global financing expelling all economic classes except the elite and the poor Reality television in the industrial era reworked social relationships based on class race and gender for liberatory purposes which resulted in an egalitarian ethos in the genre However reality television of the post industrial era attempts to convince viewers that cities still serve their interests even though most viewers find city life today economically untenable Each chapter uses a key theoretical concept from spatial theory such as power geometries diasporic nostalgia orientalism the imagination of social expulsions and the relationship between the country and the city to illuminate the way reality television engages this larger transformation of urban space in America      **The Littlest Bigfoot** Jennifer Weiner,2016-09-13 From 1 New York Times bestselling author Jennifer Weiner comes a cheerful The New York Times Book Review and charming People tale of friendship furry creatures and finding the place where you belong Alice Mayfair twelve years old slips through the world unseen and unnoticed Ignored by her family and shipped off to her eighth boarding school Alice would like a friend And when she rescues Millie Maximus from drowning in a lake one day she finds one But Millie is a Bigfoot part of a clan who dwells deep in the woods Most Bigfoots believe that people NoFurs as they call them are dangerous yet Millie is fascinated with the No Fur world She is convinced that humans will appreciate all the things about her that her Bigfoot tribe does not her fearless nature her lovely singing voice and her desire to be a star Alice swears to protect Millie s secret But a league of Bigfoot hunters is on their trail led by a lonely kid named Jeremy And in order to survive Alice and Millie have to put their trust in each other and have faith
