primary accomplishment as president persuading the Soviets to reduce their nuclear arsenals and end the Cold War It details how he achieved this success and in the process explains why Americans consider Reagan one of our greatest presidents The authors examine the decisions Reagan made during his presidency that made his success possible and review Reagan s critical negotiations with Soviet leader Mikhail Gorbachev ending with the 1988 Moscow Summit that effectively ended the Cold War They present Gorbachev s thoughts on Reagan as a great man and a great president 20 years after he left office But ultimately they reveal the depth of Reagan s vision of a world safe from nuclear weapons painting a clear portrait of a Cold Warrior who saw the possibility of moving beyond that war *The English Catalogue of Books ...* Sampson Low,1907
