The Maximo extensions for Building Information Modeling (BIM) is released as trial software and distributed on the IBM Service Management (ISM) Library. An existing Maximo Asset Management 7.5 or 7.6 license and installation is required. Trial software is not supported by the IBM Maximo support program; however, support is available directly from the IBM Maximo development team for as long as the software is available for download on the ISM Library. Check the ISM Library for the most recent version as well as continued availability. Only an English version is distributed during the trial. Your feedback is important because the software is being evaluated for possible integration with other Maximo products. Send all support questions and feedback to: maxbim@us.ibm.com

ENDLESSLY MINE Lara Soultaker, Hannia Winter is a wolf daughter of Luna Alania and Alpha Hansen Winter of the Red Winter pack When she was born they said she would not survive her soul left her before she even took her first breath Her mother sacrificed herself using her magic to give her life She gave her her witch soul and her powers but that would change her future This brought as a consequence that an old spell cast united her life and that of the young Alpha Maximo on the soul of Maxon Prince of Zanaerys Both fell in love with the desire and attraction they felt without being able to avoid it But when Hannia discovers the truth about their souls and that her parents knew that he knew and yet he made her believe that

she was the only one in his life She decides that it is time for Maximo to prove that he is worthy of her and that he does not love her just because of a spell but that he must win her back again Still the desire they both feel every time they are together is undeniable Will Hannia be able to reject him Hannia is not a simple wolf or witch who is waiting for her mate She will not give herself to him for her Maximo will have to fight as he has never done before When Alexia his Mistress returns everything becomes complicated between them
