Campaign Finance Bills in the 107th Congress: Comparison of S. 22 (Hagel-Landrieu) with S. 27 (McCain-Feingold)

Joseph E. Cantor
Specialist in American National Government
Government & Finance Division

Summary

On March 19, 2001, the Senate began consideration of the McCain-Feingold campaign finance reform bill. The bill-S. 27 (Bipartisan Campaign Reform Act of 2001)- was introduced on January 22, 2001 by Senators McCain, Feingold, Cochran *et al.* It features a ban on the raising of soft money by national parties, a ban on the spending of soft money by state and local parties on federal election-related activities (as defined), and a disclosure requirement for electioneering messages not regulated by federal election law, along with a ban on their funding from union or for-profit corporation treasuries. Another bill receiving considerable Senate attention is S. 22 (Open and Accountable Campaign Financing Act of 2001), introduced on January 22, 2001 by Senators Hagel, Landrieu *et al.* It features limits on soft money donations to national parties, increases in hard money contribution limits, and a requirement that broadcasters make information available on groups engaging in issue advocacy. This report provides a summary and comparison of these two measures, according to various categories.¹

United States Reports Volume 551: Cases Adjudged in The Supreme Court at October Term, 2006 , [Official Reports of the Supreme Court](#) United States. Supreme Court,2007 [Inside the Campaign Finance Battle](#) Anthony Corrado,Thomas E. Mann,Trevor Potter,2004-05-26 In 2002 Congress enacted the Bipartisan Campaign Reform Act BCRA the first major revision of federal campaign finance law in a generation In March 2001 after a fiercely contested and highly divisive seven year partisan legislative battle the Senate passed S 27 known as the McCain Feingold legislation The House responded by passing H R 2356 companion legislation known as Shays Meehan in February 2002 The Senate then approved the House passed version and President George W Bush signed BCRA into law on March 27 2002 stating that the bill had flaws but overall improves the current system of financing for federal campaigns The Reform Act was taken to court within hours of the President s signature Dozens of interest groups and lawmakers who had opposed passage of the Act in Congress lodged complaints that challenged the constitutionality of virtually every aspect of the new law Following review by a special three judge panel the case is expected to reach the U S Supreme Court in 2003 This litigation constitutes the most important campaign finance case since the Supreme Court issued its decision in Buckley v Valeo more than twenty five years ago The testimony submitted by some of the country s most knowledgeable political scientists and most experienced politicians constitutes an invaluable body of knowledge about the complexities of campaign finance and the role of money in our political system Unfortunately only the lawyers political scientists and practitioners actually involved in the litigation have seen most of this writing until now Inside the Campaign Finance Battle makes key testimony in this historic case available to a general readership in the process shedding new light on campaign finance practices central to the congressional debate on the reform act and to the landmark litigation challenging its constitutionality **The New Campaign Finance Sourcebook** Anthony Corrado,Thomas E. Mann,Daniel R. Ortiz,2006-03-30 The New Campaign Finance Sourcebook has been integrated with the award winning and frequently visited Brookings website to provide a timely interactive tool for policymakers journalists and scholars Four of the country s leading experts on campaign finance reform have contributed original essays on important facets of finance law and administration The essays are accompanied by a list of corresponding documents available on the website The book offers a thorough overview and analysis of this highly controversial issue including the history of campaign finance regulation and the current state of the law current practices and trends in the flow of money the constitutional debate the use of political party money issue advocacy public financing of presidential elections implementing and enforcing campaign finance laws and campaigning on the internet The authors conclude with a broad overview of alternative approaches to reform The related website www.brookings.edu/campaignfinance features sidebars that correspond to the book s chapters as well as associated documents The site is frequently updated with recent developments in campaign finance regulation and analyses of current court cases and administrative decisions There are also links to advisory opinions

from the Federal Elections Commission nonprofit organizations that study reform and related publications The Funding of Political Parties Keith Ewing, Jacob Rowbottom, Joo-Cheong Tham, 2011-08-30 This book explores the problems associated with regulating the funding of political parties and election campaigns in a timely assessment of a topic of great political controversy From interest in Obama's capacity to raise vast sums of money to scandals that have rocked UK and Australian governments party funding is a global issue reflected in this text with case studies from Australia Canada New Zealand United Kingdom and the United States Taking an interdisciplinary approach with leading scholars from politics geography and law this text addresses key themes contributions spending controls the role of broadcasters and special interests and the role of the state in funding political parties With regulatory measures apparently unable to change the behaviour of parties why have existing laws failed to satisfy the demands for reform and what kind of laws are necessary to change the way political parties behave The Funding of Political Parties Where Now brings fresh comparative material to inform this topical and intractable debate and assesses the wider implications of continuing problems in political funding This book will be of interest to students and scholars of political science political theory policy and law **United States Reports** United States. discusses lessons the 2000 elections should teach us about the realities of financing elections and the implications for reform that emerged from this remarkable election In setting forth the contours of American political finance *Financing the 2000 Election* provides a unique resource *Guide to U.S. Elections* Deborah Kalb, 2015-12-24 The CQ Press *Guide to U S Elections* is a comprehensive two volume reference providing information on the U S electoral process in depth analysis on specific political eras and issues and everything in between Thoroughly revised and infused with new data analysis and discussion of issues relating to elections through 2014 the Guide will include chapters on Analysis of the campaigns for presidency from the primaries through the general election Data on the candidates winners losers and election returns Details on congressional and gubernatorial contests supplemented with vast historical data Key Features include Tables boxes and figures interspersed throughout each chapter Data on campaigns election methods and results Complete lists of House and Senate leaders Links to election related websites A guide to party abbreviations **Financing the 2008 Election** David B. Magleby, Anthony Corrado, 2011-06-01 The 2008 elections were by any standard historic The nation elected its first African American president and the Republicans nominated their first female candidate for vice president More money was raised and spent on federal contests than in any election in U S history Barack Obama raised a record setting 745 million for his campaign and federal candidates party committees and interest groups also raised and spent record setting amounts Moreover the way money was raised by some candidates and party committees has the potential to transform American politics for years to come The latest installment in a series that dates back half a century *Financing the 2008 Election* is the definitive analysis of how campaign finance and spending shaped the historic presidential and congressional races of 2008 It explains why these records were set and what it means for the future of U S politics David Magleby and Anthony Corrado have assembled a team of experts who join them in exploring the financing of the 2008 presidential and congressional elections They provide insights into the political parties and interest groups that made campaign finance history and summarize important legal and regulatory changes that affected these elections Contributors Allan Cigler University of Kansas Stephanie Perry Curtis Brigham Young University John C Green Bliss Institute at the University of Akron Paul S Herrnson University of Maryland Diana Kingsbury Bliss Institute at the University of Akron Thomas E Mann Brookings Institution **Campaign Finance Reform and the Future of the Democratic Party** Jerrold E. Schneider, 2002 This volume is a comprehensive collection of critical essays on *The Taming of the Shrew* and includes extensive discussions of the play s various printed versions and its theatrical productions Aspinall has included only those essays that offer the most influential and controversial arguments surrounding the play The issues discussed include gender authority female autonomy and unruliness courtship and marriage language and speech and performance and theatricality United States Congressional Serial Set, Serial No. 14725, House Reports Nos. 131-152 , *Congress and the Shaping of the Middle East* Kirk Beattie, 2016-05-03 How does one explain US Middle East policy When Stephen Walt and John Mearsheimer wrote their

bestselling book *The Israel Lobby* they attributed our pro Israel policy to the power of the lobby itself Others have criticized this approach as overly simplistic Longtime Middle East watcher Professor Kirk Beattie provides a profound assessment of Congress's role by examining the vetting of congressional candidates campaign financing congressional staffing bipartisan alliances within the Senate and the House and the agenda driven allocation of foreign aid and policymaking He addresses the many internal and external pressures that impact such processes His findings based on roughly two hundred interviews with congressional staffers lobbyists members of Congress and foreign embassy officials across years of research untangle the issue to show us how Congress really works
