### The Mitten Shocker Act III Answer Key

**Directions:** Answer each question below in full and complete sentences.

1. What is Annie's central focus as Act III begins?

Annie's central focus is to teach Helen that everything and everyone here is new, and that Helen's fingers can feel for her huge dangers.

2. What does Kate mean when she tells Mrs. Kellner to "hold up to her world?"

Kate means for Mrs. Kellner to experience herself for who she is and what she feels, not to pretend of always looking for her father's approval.

3. Similar to what both James and Captain Kellner have said in previous acts, what does Mrs. Kellner tell Annie about Helen's spelling?

Mrs. Kellner tells Annie that "It's still a finger game [to Helen], so there's no meaning."

4. Why do Annie and Kate spell to each other so frequently rather than communicate orally?

By spelling to each other frequently, Kate will more quickly learn how to use sign language. That way, if Helen realizes that everything here is new, Kate will be ready to communicate with her daughter.

5. What progress has Annie made with Helen during their two weeks at the garden house?

Helen now knows her "new" class; she has learned to knit and string beads; she performs and up exercises each morning; she climbs trees and feeds eggs with Annie; and she has consistently spell with each other.

6. Discuss the conversation that Annie has with Captain Kellner when he reminds her that her two weeks with Helen "are up today."

Annie says that their two weeks "are not up until 4:00" and that "an agreement is an agreement." Annie wants more time with Helen, but Captain Kellner will not allow it, so she asks Annie's own words against her, saying, "An agreement is an agreement." While Helen has come to sign-ify, Annie is primarily glad of one thing: Helen that words have meaning here and that is the best, so every additional minute counts to Annie.
