**Adnan's Story** Rabia Chaudry, 2025-06-25 After more than twenty years in prison

Adnan Syed's murder conviction was overturned and he was finally set free. Rabia Chaudry's New York Times bestseller and award winner *Adnan's Story* reveals how the case was mishandled and became the subject of Sarah Koenig's Peabody Award winning podcast *Serial*. In early 2000 Adnan Syed was convicted and sentenced to life plus thirty years for the murder of his ex girlfriend Hae Min Lee, a high school senior in Baltimore, Maryland. Syed has maintained his innocence and Rabia Chaudry, a family friend, has always believed him. By 2013, after almost all appeals had been exhausted, Rabia contacted Sarah Koenig, a producer at *This American Life*, in hopes of finding a journalist who could shed light on Adnan's story. In 2014 Koenig's investigation turned into *Serial*, a Peabody Award winning podcast with more than 500 million international listeners. But *Serial* did not tell the whole story. In this compelling narrative Rabia Chaudry presents key evidence that she maintains dismantles the State's case: a potential new suspect, forensics indicating Hae was killed and kept somewhere for almost half a day, and documentation withheld by the State that destroys the cell phone evidence among many other points, and she shows how fans of *Serial* joined a crowd-sourced investigation into a case riddled with errors and strange twists. Featuring information about Adnan's life in prison and weaving in his personal reflections with never before seen letters, Rabia's account is a true story about real people. *Adnan's Story* adds context and humanizes it in a way that could change how you think about the case and about *Serial* itself. Los Angeles Times: Chaudry's clear, vivid and highly readable account of the case will bring the story to life for readers unfamiliar with the podcast, and even the most devoted *Serial* fans will find fresh insight and a vast amount of new material. Chaudry's legal training serves her well as she marshals her defense, but so too does the Pakistani heritage and Muslim faith she shares with Syed. Washington Post: **Using Drama to Bring Language to Life** Sheila Robbie, Bernie Warren, Tina Ruggirello, 2001 **Submerged: How a Cold Case Condemned an Innocent Man to Hide a Family's Darkest Secret** Hillel Levin, 2024-11-19 This bombshell investigation from the co-author of *Black Bird* reveals a cold case gone wrong that cleared a murderer and imprisoned an innocent man. In March 1993 sixteen year old Rayna Rison was abducted outside the La Porte, Indiana veterinary hospital where she worked. A month later her body was found submerged under tree limbs in a rural pond. Police targeted her brother-in-law Ray McCarty as the prime suspect. Although a grand jury indicted him for the murder in 1998, prosecutors later dropped the charges. Then in 2013 county officers arrested Jason Tibbs, Rayna's middle school boyfriend, convicted him and sentenced him to forty years in prison. After a two year investigation drawing on dozens of interviews and more than a thousand pages of police files, author Hillel Levin completes the case against McCarty following clues and leads that detectives overlooked. In the process he reveals startling new information about the killer's murder weapon and accomplices and uncovers the politics and misconduct that enabled the prosecutor to convict Jason Tibbs. Although cold cases are celebrated in popular culture, Jason's trial shows the perils they can pose for innocent defendants. At the heart of *Submerged* is the tragic story of Rayna Rison, an exceptional young woman with a promising future whose family and justice system failed to keep her from harm. Ironically, the person now held

accountable for her murder is the friend she most saw as her protector      *The Great Disappearance* Dr. David Jeremiah, 2023-10-03 An Instant Wall Street Journal USA Today and Publishers Weekly Bestseller The rapture is the central event in biblical prophecy But what does it mean for us today How can this crucial end times event draw us nearer to God in a world that is seemingly on the brink of chaos Political turmoil economic uncertainty an ideological divide that feels increasingly impassable the signs of the times point us toward the end and that can be disconcerting But the greatest truth about the rapture is not its timing but its reality for blessed are all who long for His appearing The Great Disappearance is a culmination of decades of Dr Jeremiah studying end times throughout the Bible In this definitive volume he will explain the meaning of the word rapture the difference between the rapture and the second coming and the joy of expecting our Savior to come at any given moment Dr Jeremiah will also explore key questions such as Who will be raptured When will it happen What will happen to those left behind What will believers experience when they are taken away to heaven Will non believers still have time to repent and be saved Dr Jeremiah seeks to answer all of those questions and many more not with sensationalism or stories ripped from the headlines but with solid biblical truth Because God has laid out His plan for us in His Word so that we might not be caught unaware We may not know the exact date that the rapture will happen but we do know it will happen Are you ready for it Interested in learning more Don t miss out on The Great Disappearance Study Guide and be sure to check out other books by Dr David Jeremiah The Book of Signs Where Do We Go from Here The World of the End Living with Confidence in a Chaotic World Is This The End After the Rapture The Great Disappearance Study Guide
