

# SHORT PRAYER FOR A MISSION TRIP

God, I thank You that You have allowed us to be part of Your plan to save and rescue people. What a privilege that is. I understand that it is you alone who will change the hearts of people so I ask that you go before this trip and soften the hearts of the individuals that will be hearing the Good News. I pray that you will keep everyone safe, but more than that I pray that you keep everyone within your will. Allow hearts to change and lives to grow for your glory.  
In Jesus' name, Amen.

Lawless, 2003 This compact prayer manual shows how to build and participate in a praying church and includes stories and examples from a cross section of churches evaluation charts and discussion questions so both church staff and lay leaders can use it individually or in group settings Women and Missions, 1926 **Global Mission** Rose Dowsett, 2011-06-27 Reflections and Case Studies in Contextualization for the Whole Church Global Mission is divided into two sections the first Reflections and Foundations comprises nine essays of a more general nature the second Contextualization at Work contains twenty one essays of a more specific nature most of them case studies from a particular

location and people group The thirty three contributors come from five continents and a host of contexts Some are veterans some quite young but every one of them is passionate about God s mission and about building bridges for the gospel in a way that is absolutely faithful to Scripture but also sensitive to specific contexts North and South East and West demonstrate precious unity in Christ in our common calling Contextualization is complex and none of the authors claim to have got everything right But their essays are thoughtful and written out of love for God and love for his world They tell the stories of trial and error of struggles and triumphs as each seeks to present Christ in terms that make sense and can be understood It is following the process quite as much as specific conclusions which make this book valuable and transferable to many other parts of the global church The essays also give us a peep into many different societies and the birthing of faith in the grace of the Holy Spirit Thus we give thanks to God for all that he is wonderfully doing around his world and stimulate our prayers for those who work cross culturally especially in pioneer situations Not all contributors agree on every point especially when it comes to the difficulties of mission in the Muslim world and increasingly amongst Hindus There has been no attempt to standardize different approaches letting a robust conversation develop Each chapter ends with some suggested study questions useful for personal reflection or group or class discussion The book is deliberately accessible to lay people but stimulating to career missionaries and academics
