Blood Brothers Elias Chacour, David Hazard, 2003-02 Riveting true life story of a Christian Palestinian from Galilee brings to life the history of modern Israel and offers insight into living at peace     Atonement, Justice, and Peace Darrin W. Snyder Belousek, 2012 In this substantial study Darrin W Snyder Belousek offers a comprehensive and critical examination of penal substitution the most widely accepted evangelical Protestant theory of atonement and presents a biblically grounded theologically orthodox alternative Attending to all of the relevant biblical texts and engaging with the full spectrum of scholarship Belousek systematically develops a biblical theory of atonement that centers on restorative rather than retributive justice He also shows how Christian thinking on atonement correlates with major global concerns such as economic justice capital punishment the war on terror and ethnic and religious conflicts Thorough and clearly structured this book demonstrates how a return to biblical cruciformity can radically transform Christian mission social justice and peacemaking     *Soul Food* Robert P. its origins and historical development he argues that Christian Zionism lays the biblical foundation for Israel's restoration and the return of Christ No one has contributed more to this cause than its leading architect and patron John Nelson Darby an uncompromising champion for Christ's glory and God's truth This groundbreaking book challenges decades of misrepresentation and scholarship exploding the myth that Darby stole the doctrine of the pre tribulation Rapture from his contemporaries By revealing the man and his message Paul Wilkinson vindicates Darby and spotlights the imminent return of the Lord Jesus Christ as the centerpiece of his theology Blessed are the Peacemakers Patricia Griggs,2012-01-27

Beaty, Douglas V. Henry, 2007 *The Schooled Heart* addresses a basic question about the nature of the university should moral education figure among the university's purposes This volume offers an affirmative response to that question A central purpose of the university is the moral formation of students what Beaty and Henry call the schooling of the heart
