**A History of Benezette** Kathy Myers, 2024-07-01

Founding the Pennsylvania Wilds and Preserving Elk Country: The village of Benezette is ground zero for the famous elk herd of the Pennsylvania Wilds. Before becoming a popular ecotourism destination, the community was a quiet village with a hardworking ethos. The region's first settlers arrived in the 1780s looking for new frontiers and economic opportunities. Reuben Winslow purchased more than three hundred acres of land along the Bennett's Branch of Sinnemahoning Creek and by 1844 had laid down the town's lots as the founder of Benezette. The arrival of the Pennsylvania Railroad in the late 1800s fueled the rise of local industry such as timber and coal. Nearby villages such as Weedville, Caledonia, Medix Run, Summerson, and others looked to Benezette as the center of the region while developing their own communities. Author Kathy Myers presents the history of Benezette and its influence in the heart of the Pennsylvania Wilds.
