Audience Genre Expectations in the Age of Digital Media Leo W. Jeffres, David J. Atkin, Kimberly A. Neuendorf, 2022-12-05 This volume bridges the divide between film and media studies scholarship by exploring audience

expectations of film and TV genre in the age of digital streaming using qualitative thematic and quantitative data driven analyses Through four ground breaking surveys of audience members and content creators the authors have empirically determined what audiences expect of various genres the extent to which these definitions match those of scholars and critics and the overall variation and complexity of audience expectations in the age of media abundance They also examine audience habits and preferences drawing from both theory and original empirical analyses with a view toward the implications for the moving image in a rapidly changing media environment The book draws from the data to develop a number of new concepts including genre repertoire genre hybridity audience interest maximization and variety seeking and a new stage of genre development genre bending It is an ideal resource for students and scholars interested in the symbiotic relationship between audiences and the moving image products they consume as well as the way the current digital media environment has impacted our understanding of film and TV genres

Flashback , **Directory of American Scholars: English speech and drama** ,1999 An Introduction to World Cinema, 2d ed. Aristides Gazetas,2016-04-28 Motion pictures are more than just entertainment In film studies courses in colleges and universities worldwide students and professors explore the social political technological and historical implications of cinema This textbook provides two things the history of film as an art form and an analysis of its impact on society and politics Chapters are arranged chronologically covering the major developments in film like the advent of talkies or the French New Wave Each era is examined in the context of several exemplary films commonly viewed in film studies courses Thus students can watch Birth of a Nation and Intolerance while studying the innovations made by D W Griffith from 1910 to 1919 The scope is global embracing the cinematic traditions of Asia Latin America and Africa as well as the ever important American and European output Thoughtful articles from film scholars are included The flexible structure of the text allows a variety of options for classroom use or personal study Instructors considering this book for use in a course may request an examination copy here Forthcoming Books Rose Arny,2000-06 *British Cinema in Pictures* Patricia Warren,1993 A pictorial history of the British cinema from 1896 to 1993 with over 1 000 stills and captions Ideal entertainment for the movie buff and a reference for the film student or enthusiast this book is an illustrated account of British films and stars It includes behind the scenes insights as well as tributes to the greats of British cinema and acknowledges the contribution of some of the lesser known artists who entertained audiences along the way Cinema Ursula Broschke-Davis,2005 **Shakespeare on Silent Film** Robert Hamilton Ball,2013-07-18 In 1899 when film projection was barely three years old Herbert Beerbohm Tree was filmed as King John In his highly entertaining history Robert Hamilton Ball traces in detail the fate of Shakespeare on silent

films from Tree's first effort until the establishment of sound in 1929. The silent films brought Shakespeare to a wide public who had never had the chance to see his plays in the theatre. And Shakespeare gave the film makers an air of respectability that was badly needed by a medium with a reputation for frivolity. This work first published in 1968 brings history to life with excerpts from scenarios, from reviews and from contemporary film journals and with reproduction of stills and frames from the films themselves including unusual shots of leading screen actors. This is a valuable source book for film experts enhanced by full notes, bibliography and indexes, a fresh approach for Shakespeareans and a vivid sketch of a world that has passed for all.
