Flight From Hell:

Journeys into Terror Cynthia J. Miller, A. Bowdoin Van Riper, 2023-05-23 Since ancient times explorers and adventurers have captured popular imagination with their frightening narratives of travels gone wrong. Usually these stories heavily feature the exotic or unknown and can transform any journey into a nightmare. Stories of such horrific happenings have a long and rich history that stretches from folktales to contemporary media narratives. This work presents eighteen essays that explore the ways in which these texts reflect and shape our fear and fascination surrounding travel, posing new questions about the geographies of evil and how our notions of terrible places and their inhabitants change over time. The volume's five thematic sections offer new insights into how power, privilege, uncanny landscapes, misbegotten quests, hellish commutes, and deadly vacations can turn our travels into terror.

For All Time Jen Oberholtzer, 2009-08-22 Cerinda MacDouglas and Riley Crawford have never had the greatest luck when it comes to finding lasting love. When dinner with their ex goes wrong one evening, they drive off intent on once and for all leaving them behind. Something goes drastically wrong on the way. They find themselves in the land of the Vikings and in the care of two of the fiercest Vikings ever to have walked the Earth. Veli and Tero Hakkarainen are just as drawn to as they are mystified by the two women who appeared out of nowhere and onto their battlefield. They return to their home with the women that have already besieged their hearts and minds. Their fierce protectiveness of one another as well as the clan has both men realizing that these two women are what they have been looking for, and they will do whatever it takes to gain their trust and ultimately their love. *For All Time* is the story of two friends and two brothers who must learn to trust and love even if it means risking everything to be together.

The Three Count Jimmy Korderas, 2013 *The Three Count* highlights the triumphs and tragedies that referee Jimmy Korderas experienced over his career as a WWE official from humble beginnings in Toronto to being a part of the main event at WrestleMania. He divulges stories from both inside and outside the ring and highlights the bonds he formed with superstars like Edge, Stone Cold Steve Austin, and Chris Jericho. A fun read from a man who doesn't have an axe to grind but who wants to inspire wrestling fans. *The Three Count* shows that there's much more to the industry than scandals and dirty laundry.
