

Baron de Montesquieu	<ul style="list-style-type: none"> - French philosopher who came up with the idea of the separation of powers and checks and balances - Montesquieu concluded that to divide the powers of government into 3 parts (the legislative branch to make laws, the executive branch to carry out laws, and the judicial branch to interpret the laws), to keep government leaders from becoming too powerful or tyrannical. Each branch would depend on the cooperation of the others to do its job. - These ideas are found in the US Constitution.
The Magna Carta	<ul style="list-style-type: none"> - Document that limited the power of the king (listed as monarch) by requiring him to protect certain rights of the nobles, such as having a trial by jury, and being taxed without their consent. (found in our Bill of Rights)
The English Bill of Rights	<ul style="list-style-type: none"> - A bill passed by the English Parliament to safeguard (protect) their rights and individual liberties (freedoms) from royal abuses, therefore limiting the power of the king (listed as monarch). Some of the rights stated in this bill are: freedom of speech, right to bear arms, the right to petition the government, the right against excessive bail, and against cruel and unusual punishments (all found in our Bill of Rights).
The Mayflower Compact	<ul style="list-style-type: none"> - Agreement made by the Pilgrims that came to America on the Mayflower ship. Together, they wrote a set of rules to govern themselves (self-government) and agreed to obey them once they got off the ship.
Common Sense by Thomas Paine	<ul style="list-style-type: none"> - Pamphlet where Paine argued that it made no sense for the 13 colonies to be governed by the king and did not support Great Britain. - He encouraged colonists to declare independence during the American Revolution.
English Policies and Colonial Responses	<p>To pay for the French and Indian War, the British imposed high taxes on the colonists without their consent (permission):</p> <ul style="list-style-type: none"> - The Stamp Act – taxes to buy for a government stamp is placed on all official documents, newspapers, or pamphlets. <p>The colonists sent petitions (formal request) to the British Parliament to end this act, and boycotted (refused to buy) British goods. The British repealed (cancelled) the act, but passed...</p> <ul style="list-style-type: none"> - The Townshend Acts – taxes on common items shipped to the colonies, such as paper, paint, glass, lead, and tea. <p>The colonists got more outraged and organized by the British ending on imposing taxes without their consent – “No Taxation Without Representation”</p> <p>To try to keep the colonists under control, the British sent more troops to America, and obligated colonists to “quarter soldiers” (housing them) in their homes. Eventually the repealed the Townshend Acts, but passed...</p> <ul style="list-style-type: none"> - The Tea Act – taxes on tea.
The Boston Tea Party	<p>To protest the Tea Act, a group of colonists (seven of them) got dressed as Indians, boarded a ship, and threw chests full of tea overboard. As a response, the British passed...</p> <ul style="list-style-type: none"> - The Intolerable Acts – basically stated that whatever the British said had to be obeyed by the colonists without question.
Continental Congress in Philadelphia	<ul style="list-style-type: none"> - 1st – 12 of the 13 colonies met and agreed to keep protesting and boycotting the British, but a few months later the Revolutionary War began. - 2nd – Colonists agree to reject the British and formed the Continental Army. They send the king an “olive branch” petition to reconcile and make peace, but they king ignored them, and sent troops to fight the colonists. The colonists had enough of the British abuses and agreed to end their relationship with the British and declare independence.

Florida Civics Final Study Guide 2015:

America, the Owner's Manual Bob Graham, Chris Hand, 2016-07-15 In 2016 Americans fed up with the political process vented that frustration with their votes Republicans nominated for president a wealthy businessman and former reality show host best known on the campaign trail for his sharp rhetoric against immigration and foreign trade Democrats nearly selected a self described socialist who ran on a populist platform against the influence of big money in politics While it is not surprising that Americans would channel their frustrations into votes for contenders who pledge to end business as usual the truth is that we don't have to pin our hopes for greater participation on any one candidate All of us have a say if we learn master and practice the skills of effective citizenship One of the biggest roadblocks to participation in democracy is the perception that privileged citizens and special interests command the levers of power and that everyday Americans can't fight City Hall That perception is undoubtedly why a 2015 Pew Charitable Trusts survey found that 74 percent of those Americans surveyed believed that most elected officials didn't care what people like them thought Graham and Hand intend to change that conventional wisdom by showing citizens how to flex their citizenship muscles They describe effective citizenship skills and provide tips from civic experts Even more importantly they offer numerous examples of everyday Americans who have used their skills to make democracy respond The reader will see themselves in these examples of citizens who chose to be victorious participants rather than tranquil spectators in the arena of democracy By the end of the book you will have new confidence that citizen participation is the lifeblood of America and will be ready to make governments work for you not the other way around *Rural Arts Management* Elise Lael Kieffer, Jerome

Socolof, 2024-07-10 The arts and arts management exist in every corner of the world from the largest city to the smallest town However just as a metropolis and a hamlet bear little resemblance to each other despite similar basic needs arts organizations in the former frequently bear little resemblance to those in the latter and many foundational arts management texts give little attention to rural settings This book combines insights from research and practice to fill that knowledge gap and help readers understand arts administration in rural communities Focusing on the North American setting but including comparative examples and references from around the world this book examines how areas of practice familiar to any arts manager work in rural areas including research and best practices for navigating the paucity of resources frequently encountered in rural communities Emphasizing a by rural for rural perspective this book frames the arts as integral components of vibrant rural communities and valuable tools for meeting these communities needs Written by arts and nonprofit management professors with backgrounds in rural arts research and practice this book provides a valuable resource for scholars advanced students and reflective practitioners at the intersection of the arts and rural studies
