politics of the play Included in this volume is Shaw's preface as well as his sequel written for the first publication in 1916 to rebut public demand for a more conventionally romantic ending For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 800 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators *The Athenaeum*, 1844 **Athenaeum and Literary Chronicle**, 1844
