The Passion of Mademoiselle S. Jean-Yves Berthault, 2016-02-09 A literary treasure the recently discovered letters that chronicle the passionate affair of a young woman in Paris in 1928 While helping a friend clear out an old apartment in Paris diplomat Jean Yves Berthault came upon a leather portfolio that contained a collection of handwritten letters After reading the first one Berthault realized that he had stumbled upon an extraordinary correspondence a charged and passionate epistolary love affair that brought to mind the French classics The Story of O Justine and Delta of Venus He began to piece together clues The letters were from Simone a well to do unmarried Parisian woman to her younger married lover Charles Written between 1928 and 1930 they tell the story of an illicit love affair that sparked a sexual awakening for both lovers As the affair intensifies Simone becomes obsessed with Charles even as he begins to grow more distant As her hunger deepens she pushes him beyond all boundaries into dangerous and forbidden realms in an effort to keep him enthralled With each broken taboo Charles submits until their last fateful encounter The Passion of Mademoiselle S is a tour de force In language that is by turns elegant impassioned and surprisingly graphic these love letters are a portrait of a sexual and psychological obsession Berthault's notes on the period add dimension and context to the correspondence But it is the voice of Simone that of a sensual vulnerable and curiously modern woman that comes through
