*[Bad Boy's Guide to...] Being Not Good* Elizabeth Stevens,2019-04-05 If you don't like a smattering of serious on a bed of parody cliché characters and over the top situations that know exactly what they are then this book is definitely not for you. What do you get when you introduce Deadpool's personality to Disney's Giselle's? If you answered a love story for the ages you wouldn't be totally wrong. But you wouldn't be totally right either. With a heroine who won't let a stupid little thing like being too good get in the way of showing her stupid ex what's what and a hero who wants no part of being the male lead in a romance novel these two opposites find themselves in an unconventional partnership. When peppy go lucky Avery eventually wears down bad to the bone Davin's defences he agrees to help her trash her reputation. And if Davin can help her pass math while he's at it all the better. So it's goodbye to Little Miss Goody Two Shoes and hello to a whole new Avery. Davin was only supposed to be Avery's mistake the guy that everyone would eventually call her little phase and he figured it would be good for a laugh when he looked back on it. But the more they're together the less either of them feel it's a mistake. Now if only one of them could mention that to the other and ease all that angst ridden tension. A laugh out loud modern day fairy tale in dual POV for those who know life never quite goes according to plan. The first book in a new standalone series *Bad Boy's Guide to*. Please be aware that this story is set in Australia and therefore uses Australian English spelling and syntax. *The Good Boy's Guide to Being Good* Brussels Sprout,2022-04-12 The Good Boy's Guide to Being Good is an entertaining collection of tips, tricks and wisdom to help raise a well behaved puppy written from the humorous point of view of Sprout the puppy.

Enter one talented Nerakian named Lara sent on a special fact finding mission in the vast region called Texas. Fortunately police officer Sam Jones has offered to help. Unfortunately Sam's skill at sex is quite distracting. Crazy that's what Sam is. What sane man would voluntarily isolate himself in the Texas woods with an alien not to mention a female one with a superiority complex, legs that won't quit and a penchant for walking around buck naked. And when Lara wastes no time getting into his bed he goes where no man has gone before. Of course when you're from Texas nothing not even an entire planet is going to stop you from getting what you want. *A Boy's Guide to Making Really Good Choices* Jim George,2013-10-01 It's never too early to give young boys a resource that will help them learn the skills for making right choices in life. *A Boy's Guide to Making Really Good Choices* is designed to help boys ages 8-12 learn how to think through their options, realize the possible consequences and develop good decision making skills. **The Boy-savers' Guide** George Edward Quin, 1908 *The Gay Man's Guide to Open and Monogamous Marriage* Michael Dale Kimmel, 2017-06-09 Legal gay marriage is still a relatively new phenomenon As gay men who are now able to get married we find ourselves in a bit of a quandary for many male couples sex is a lot more important for us than it is for heterosexuals Two married men often have a stronger desire for sex wanting more of it and with a wider variety of partners than married opposite sex couples How does this work within the structure of a monogamous marriage Is an open relationship a better structure for gay marriage Assuming that gay marriages will emulate heterosexual marriages is neither a valid nor a helpful assumption But as gay men where does that leave us There are currently no rule books for how a marriage between two men could or should work While there are lots of books about how to plan your gay wedding there are virtually none that address what to do after the honeymoon is over literally and figuratively This book fills that void It offers married gay couples and gay men considering marriage an easy to follow practical framework that they can use to help create adjust and structure their marriages Using helpful examples and first hand quotes throughout Openly gay psychotherapist Michael Dale Kimmel offers a roadmap for gay men who want to be married but have questions and concerns about monogamy and monotony

**Good Boys, Bad Hombres** Michael V Singh, 2024-04-16 The unintended consequences of youth empowerment programs for Latino boys Educational research has long documented the politics of punishment for boys and young men of color in schools but what about the politics of empowerment and inclusion In Good Boys Bad Hombres Michael V Singh focuses on this aspect of youth control in schools asking on whose terms a positive Latino manhood gets to be envisioned Based on two years of ethnographic research in an urban school district in California Good Boys Bad Hombres examines Latino Male Success a school based mentorship program for Latino boys Instead of attempting to shape these boys lives through the threat of punishment the program aims to provide an invitation to a respectable and productive masculinity framed as being rooted in traditional Latinx signifiers of manhood Singh argues however that the promotion of this aspirational form of Latino masculinity is rooted in neoliberal

multiculturalism heteropatriarchy and anti Blackness and that even such empowerment programs can unintentionally reproduce attitudes that paint Latino boys as problematic and in need of control and containment An insightful gender analysis Good Boys Bad Hombres sheds light on how mentorship is a reaction to the alleged crisis of Latino boys and is governed by the perceived remedies of the neoliberal state Documenting the ways Latino men and boys resist the politics of neoliberal empowerment for new visions of justice Singh works to deconstruct male empowerment arguing that new narratives and practices beyond patriarchal redemption are necessary for a reimagining of Latino manhood in schools and beyond
