X Erika Lust,2011-02-20     Smutty Little Movies Peter Alilunas,2016-08-23 Prologue Naked ladies and ice cream bars Introduction Smaller than life adult video pleasure and control Panorams motels and pirates the origins of adult video Adult video news selling xxx without the sex The means of production vivid video and femme productions Solidifying shame community standards regulation and adult video Epilogue one last thing limousines and legacies     **The Pornography Industry** Shira Tarrant,2016-03-01 We may know pornography when we see it but the business of pornography is a surprisingly elusive subject Reliable figures about the industry are difficult to come by and widely disputed but one matter that is hardly debatable is that pornography is a major and ubiquitous enterprise Porn allegedly accounts for one third of all internet traffic currently though the data about actual consumption is unclear Reports in recent years have suggested that 70 million individuals visit porn sites every week that among viewers aged 18 24 women watch more porn than men and that among middle aged white collar workers three quarters of men and half of women have admitted to looking at pornography websites while at work While debates and emotions around porn can run high there is a crucial need for reliable information and rational conversation In this book Shira Tarrant parses the wide range of statistics that we have on the pornography industry sorting myth from reality in an objective fascinating and knowledgeable fashion She looks at ongoing political controversies around the industry the feminist porn wars the views of the religious right the history of pornography landmark legal cases and the latest in medical research The Pornography Industry also explains the industry basics who works in porn why people become performers how much they earn and what happens on a porn set It further delves into important questions such as how many teenagers watch porn and should we worry about it What is porn piracy and can it be stopped What can the industry do about sexist and racist pornography Does porn cause violence against women Can people become addicted to porn Is watching porn the same as infidelity By presenting competing perspectives in an even handed way The Pornography Industry will enable readers to explore these provocative issues and make their own best decisions about the debates     **Good Porn** Erika Lust,2010-05-25 Porn Do you think of it as a dirty word a taboo topic something you associate with cheesy films with bad plots Filmmaker and author Erika Lust is here to change all that With the goal of making porn more accessible to women Good Porn examines the films the industry and the phenomenon It breaks away from any assumptions you may have about porn opening the door for a wholly new conversation about a medium that has too long been considered the domain of men Come on in ladies the water s just fine     *Pornography Feminism* Rich Moreland,2015-01-30 A veteran educator Rich Moreland is a columnist for Adult Industry News online and blogs at 3hattergrindhouse com He lives in Maryland USA     **Sexuality and Eroticism in a Post-pandemic World** ,2023-09-20 The cultural change denominated as the new normal goes far beyond the adaptation to habits like physical distancing limited person to person contact teleworking and self isolation established with the COVID 19 pandemic A series of significant

transformations in human behavior spreads today in societies all around the world physical intimacy decreases while virtual reality expands and alterity declines while artificial intelligence emerges leading to structural reconfigurations of sex relationships gender awareness and subjectivity Sexuality and Eroticism in a Post pandemic World explores this new cultural atmosphere through twelve interdisciplinary essays questioning global governmentality and challenging the biopolitics of the new normal the administration of self control societies so politically correct that repressed desire for otherness only finds a simulation of its satisfaction with the forced abnormality outrageousness and violence of mainstream porn going from ars erotica to alternative pornography from online dating to gender fluidity from LGBTQI activism to sex life cultivation and more

*After Pornified* , The Good Mother Myth Avital Norman Nathman,2013-12-31 In an era of mommy blogs Pinterest and Facebook The Good Mother Myth dismantles the social media fed notion of what it means to be a good mother This collection of essays takes a realistic look at motherhood and provides a platform for real voices and raw stories each adding to the narrative of motherhood we don t tend to see in the headlines or on the news From tales of mind bending panic inducing overwhelm to a reflection on using weed instead of wine to deal with the terrible twos the honesty of the essays creates a community of mothers who refuse to feel like they re in competition with others or with the notion of the ideal mom they re just trying to find a way to make it work With a foreword by Christy Turlington Burns and a contributor list that includes Jessica Valenti Sharon Lerner Soraya Chemaly Amber Dusick and many more this remarkable collection seeks to debunk the myth and offer honest perspectives on what it means to be a mother

**Prude** Emily Southwood,2013-09-24 In a culture obsessed with sex the era of Dad s Playboy is long gone Today endless free porn is a click away and full frontal photos appear on sites as accessible as Twitter yet many couples struggle with the underlying issues of pornography Emily Southwood considered herself to be sexually liberal until her fianc landed a job filming porn for a network reality TV show and her whole world changed overnight Once confident in her relationship she suddenly felt jealous insecure and obsessively comparative to the porn stars her fianc was around everyday She was forced to confront feelings she didn t even know she had about the treatment of women in the porn industry the hush hush attitude toward women watching pornography and the unrealistic expectations about sex that are often propagated by porn Prude is a humorous memoir that explores why there is so little communication about porn in relationships Southwood tells the story of her transformation from feeling sexually liberal minded to realizing she had issues with porn and the industry her fianc was a part of She reveals her bizarre journey to conquer her discomfort around porn and how she ends up finding herself and ultimately fixing her relationship for good along the way

Free Fall Rae Padilla Francoeur,2010-03-30 In her memoir Francoeur discloses her discovery of a new love after nearly two decades in a relationship that won t end despite her desire to move on Francoeur succumbs to the intensely physical and stimulating relationship she finds with this new man and shares intimate details of a love affair that changes everything
