Good Bye Seattle:

Goodbye, Oakland Andy Dolich, Dave Newhouse, 2025-04-22 A fascinating tour of Oakland sports history and a look toward the future of professional sports in the East Bay Oakland is a sports city like no other It is the only city in America to be abandoned by the same team twice with the Raiders most recently leaving for Las Vegas The Golden State Warriors who crossed the bay in 1971 in search of better digs have now returned to San Francisco with trophies in tow After a long fought battle against fans and the city itself the Oakland Athletics completed the inglorious hat trick of departures And yet Oakland has produced more than its share of success in the form of 10 league championships across the NFL NBA and MLB The city is gritty gutsy and self preserving with a blue collar mentality and a gold standard under that collar Bolstered by the Silicon Valley tech boom Oakland has become one of the most desirable places to live in the entire country all while its sports fans are increasingly made to feel that in the famous words of Gertrude Stein There is no there there What is it about Oakland that inspires such wanderlust in its professional teams Featuring numerous conversations with luminaries across sports politics and economics this new book explores Oakland s fascinating and paradoxical identity as a sports town while illuminating a cast of characters as diverse as the city itself rogues superstars movers and shakers operating on and off the field and the ill treated fans Through the insight of venerated Oakland Tribune scribe Dave Newhouse and sports business leader Andy Dolich readers will come to appreciate the many quirks and challenges that define The Town

Goodbye, Guns N' Roses Art Tavana,2021-04-13 Goodbye Guns N Roses transports the reader into a mind altering trip

through the colors scandals nihilism and mythology that make Guns N Roses so much more than another hair metal band A valentine and a breakup letter to one of rock s most controversial bands Goodbye Guns N Roses is a genre rattling attempt to explain the appeal of America s most divisive rock band While it includes uncharted history and the self lacerating connoisseurship of a Guns N Roses fetishist it is not a recycled chronicle this book is a deconstruction of myth one that blends high and low art sketches to examine how Guns N Roses impacted popular culture Unlike those who have penned other treatments of what might be considered a clich d subject Art Tavana is not writing as a GNR patriot or former employee His book aims to provide an untethered exploration that machetes through the jungle of propaganda camouflaging GNR s explosive appeal After circling the band s three decade plundering of American culture Goodbye Guns N Roses uncovers a postmodern portrait that persuades its viewer to think differently about their symbolic importance This is not a rock bio but a biography of taste that treats a former hair metal band like a decomposing masterpiece This is the first Guns N Roses book written for everyone from the Sunset Strip to a hyper digital generation s connection to Woke Axl it is a pop investigation that dodges no bullets
