* Complete wiring details available from product dealer or at www.goodman.com. To ensure the CTK04 ComfortNet control fits easily into your system, we recommend installation in conjunction with a new Goodman air handler containing a communicating subsystem. A compatible existing control unit, either Goodman or other brand, may also be used, but Goodman air handlers must have power-supply connections within the line of installation of the Goodman handle. Before the Goodman CTK04 ComfortNet control is fully registered as Goodman® or related brand, Goodman handles the details of this trademark right.
