Sign Me Up! Paul Winger, 2024-10-29 What life do you want to live? What country do you want to live in? On the left hand you have nothing someone makes all the decisions regarding your life. On the right hand you have everything including your life and choice. That freedom of choice brings responsibility wherein you have to put effort into your life and your freedom. That brings us to honesty truth compassion love and responsibility those together make a fist to include penalty. Why is it those six words are not included in our US Constitution? When their child is leaving home to live their life every parent will think and hope their child has ample amounts of honesty truth compassion love and responsibility in their character. You do what you can so your child has what I call the big five plus one. You feel better knowing your child has the qualities just mentioned. Why would we launch an infant country without the same? Why have we amended our Constitution twenty seven times without including the big five? I have rewritten the Constitution to include the big five plus one. If you think you live in a democracy or representative government then you are wrong. You may have gotten used to the life you are living but is your life and your country what you want? You can put effort into achieving goals or not. If there is no effort then it will never happen. It is up to you. Are you a person who stands upon the shoulders of others or are you a person who feels comfortable enough that you can stand by yourself? Billboard, 2003-03-15 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform.
