Hala S Spark Of Hope:

Hala's Spark of Hope Bryce Morgan,2014-12-09 Under the reign of the Coyote Kings the Desert Kingdom has suffered for many years A young jackhare named Hala knows this all too well Her father is missing her mother is sick and she and her family are about to lose their nest But when word arrives that an ancient prediction is coming true Hala s heart is ignited by a spark of hope and she sets out alone to get help from the long awaited High Chief Will her journey be successful even though dangers distortions and despair are lurking around every bend Will she find this new ruler in time Hala s Spark of Hope is a fun thrilling and thoughtful story for all ages The twenty five short chapters are perfect for daily or weekly readings just before Christmas or for a simple read any time of the year It will not only challenge you to think about Christmas in a new light but also to consider your own journey In fact it just might ignite a spark in your heart **The Great Black Hope**

Louis Moore,2024-09-24 The story of two pioneering Black quarterbacks one who became the first to win a Super Bowl and one who couldn t make it in the racist world of the NFL and how they changed the face of America s game for generations to come There is no position in pro sports more recognizable lucrative and important than an NFL quarterback But while the league itself has always been integrated quarterbacking was the exclusive domain of white players for many years When Doug Williams and Vince Evans arrived in the league in the late 1970s Black players were often dismissed as lacking the skills of a QB They got death threats faced racist questions and knew that a single mistake could end their careers The Great Black Hope tells the twin stories of Vince Evans an electrifying dual threat quarterback ahead of his time and of Doug Williams the star of the Tampa Bay Buccaneers and Washington Redskins and the first Black quarterback to become a champion Moore shows how easily Williams triumphant story could have gone wrong and how his success changed the game and the country A skillful blend of game time drama and social commentary this book captures unheralded heroes of the NFL and all that they meant both on the field and off **Rocket Men** John Eisenberg,2023-09-05 An acclaimed sportswriter offers

an inside look at the Black quarterbacks whose skill and grit transformed the NFL In **Rocket Men** John Eisenberg offers the definitive history of Black quarterbacks in the NFL men who shaped not only the history of football but the cause of civil rights in America From early pioneers like Fritz Pollard to groundbreaking modern standouts like Marlin Briscoe and James Shack Harris Black quarterbacks had to be twice as good as their white counterparts to get playing time and even then many never got that chance That didn t begin to change in earnest until the 1990s and the 2000s when racist notions about what Black quarterbacks supposedly couldn t do began to fade paving the way for today s stars like Patrick Mahomes and Lamar Jackson Drawing on deep historical research and exclusive interviews with Black quarterbacks and players coaches and talent evaluators who have worked alongside them **Rocket Men** is a celebration of the athletes and activists who transformed the game **Luckman at Quarterback** Sid Luckman,1949 *The Leatherneck* ,1946 *The Billboard* ,1926 **Harper's**
