

Hi loser!

Look I have gotten a dog. Say hi to your new friend. You see, I will make you a dog also. You have been so annoying the latest time. I need to put you in place.

From now on you are a dog.

No no, this will not be some roleplay, you will be and act like a fucking real dog and I will treat you like a dog, like a dog that I fucking hate. This will mean some big changes for you:

1. Dogs don't wear clothes. Take off the ones you are wearing now. I have given your other clothes to charity already. You will be naked all times, expect of a dog necklash around your neck

2. Dogs don't stand up. Down on all fours you fucking dog! You will walk and crawl on all fours around.

3. Dogs don't have a room. I have made a dog cage for you outside. It is just big enough to fit in there. You will live there in heat or cold. I called your bully Josh. We was happy to take over your room.

4. Dogs don't eat real food. My favourite dog of course will get dog food. For you, that's too expensive. Maybe if he leave some scrapes you can take that. Otherwise you need to improvise, maybe eat some mud or something you will find in our trash can. Dogs like ou can not be picky.

5. Dogs don't talk. You will learn to bark. My other dog will teach you. You will imitate him. Start trying now. Better make it authentic.

6. Once a week I will take you for a walk in a leash

You follow me like a good little dog. We will walk past whole town. When we walk past anyone we know like your family, friends from school or your crush. I want you to bark loudly to greet them and show what a good dog you are.

7. Dogs don't need money or possessions. Your bank card and credit cards has been taken over by me and will goes for my shopping. Maybe I will withdraw some money in the automats when I am walking you, so you at least can see your old money. All your stuff like your expensive gaming devises, will be taken over by your bully Josh.
