Allerton-Hilton, 2023-04-28    **Kafka on the Shore** Haruki Murakami, 2005-01-18 NATIONAL BESTSELLER From the acclaimed author of *The Wind Up Bird Chronicle* and one of the world s greatest storytellers comes an insistently metaphysical mind bender *The New Yorker* about a teenager on the run and a deceptively simple old man Now with a new introduction by the author Here we meet fifteen year old runaway Kafka Tamura and the elderly Nakata who is drawn to Kafka for reasons that he cannot fathom As their paths converge acclaimed author Haruki Murakami enfolds readers in a world where cats talk fish fall from the sky and spirits slip out of their bodies to make love or commit murder in what is a truly remarkable journey As powerful as *The Wind Up Bird Chronicle* *Reading Murakami* is a striking experience in consciousness expansion *Chicago Tribune*    [Murakami T](#) Haruki Murakami, 2021-11-23 The international literary icon opens his eclectic closet Here are photographs of Murakami s extensive and personal T shirt collection accompanied by essays that reveal a side of the writer rarely seen by the public Many of Haruki Murakami s fans know about his massive vinyl record collection 10 000 albums and his obsession with running but few have heard about a more intimate passion his T shirt collecting In Murakami T the famously reclusive novelist shows us his T shirts from concert shirts to never worn

whiskey themed Ts and from beloved bookstore swag to the shirt that inspired the iconic short story *Tony Takitani* These

photographs are paired with short frank essays that include Murakami's musings on the joy of drinking Guinness in local pubs across Ireland the pleasure of eating a burger upon arrival in the United States and Hawaiian surf culture in the 1980s Together these photographs and reflections reveal much about Murakami's multifaceted and wonderfully eccentric persona

**Kafka sur le rivage** Zaria Gossin, 2014    **Gatekeepers** William Marling, 2016-03-15 The romantic idea of the writer as an isolated genius has been discredited but there are few empirical studies documenting the role of gatekeeping in the literary process How do friends agents editors translators small publishers and reviewers not to mention the changes in technology and the publishing industry shape the literary process This matrix is further complicated when books cross cultural and language barriers that is when they become part of world literature Gatekeepers builds on the work of Pierre Bourdieu Randall Collins James English and Mark McGurl describing the multi layered gatekeeping process in the context of World Literature after the 1960s It focuses on four case studies Gabriel García Márquez Charles Bukowski Paul Auster and Haruki Murakami The two American authors achieved remarkable success overseas owing to canny gatekeepers the two international authors benefited tremendously from well curated translation into English Rich in archival materials correspondence between authors editors and translators and publishing industry analyses interviews with publishers and translators and close readings of translations this study shows how the process and production of literature depends on the larger social forces of a given historical moment William Marling also documents the ever increasing Anglo centric dictate on the gatekeeping process World literature the book argues is not so much a republic of letters as a field of chance on which the conversation is partly bracketed by historic events and technological opportunities    *Romans de la diversité*
