Redefining Tandem Language and Culture Learning in Higher Education Claire Tardieu, Céline Horgues, 2019-08-21 This book provides a comprehensive critical account of tandem learning charting its evolution from its origins in European educational settings to modern programs offering new perspectives on the approach's role within higher education Taking stock of the ways in which increased globalization has produced new linguistic and sociocultural realities the volume begins by looking back at the development of tandem learning over the last several decades growing out of a need to create more opportunities for L2 learners to communicate in their target language The book then examines the different learning objectives and learning outcomes of tandem learning arrangements moving toward a discussion of tandem learning's potential role in shaping language policy and the unique challenges involved in implementing tandem programs at higher education institutions The final section of the book brings the previous discussions together to consider new tools and technology and the ways in which they can better equip language educators to implement tandem learning in their own practice Highlighting tandem learning's potential to promote multilingual and multicultural learning on a global scale this volume will be of particular interest to students and researchers in intercultural communication language education multilingualism and applied linguistics

Lessons from a Translingual Romance Jieun Kiaer, Hyejeong Ahn, 2023-07-12 Intercultural couples ICs often face unique challenges that go unnoticed This book delves into the experiences of 20 ICs living in Singapore and explores the complexity of their experiences through the lens of translanguageing It shows how ICs mix language and culture in a borderless manner not only between spouses but also with their wider families Additionally the authors examine the significance of technological advancements which have transformed ICs' experiences over the past decade In particular parents in law pose a significant challenge for Asian Western couples as the relationship with them in Asia differs from that in the West Each couple's unique shared culture and language transcends the borders of nation states requiring exchange sharing negotiation and adaptation This book provides an easy to read holistic exploration of the issues faced by ICs offering insight into overlooked aspects such as location in laws and

The Politics of Good Neighbourhood Béla Filep,2016-10-04 Analyzing neighbourly relations in multicultural societies this book develops a concept of good neighbourhood and argues that cultural capital in various forms is the determining variable in building good neighbourly relations This work breaks new ground by offering a conceptual integration of different mutually interdependent forms of capital intercultural capital cross cultural social capital and multicultural capital These forms of capital are linked to different educational and cultural policies of the state as well as to civil society involvement at different levels of implementation Grounded in extensive fieldwork the book not only provides critical insights into neighbourly relations in culturally diverse border regions of East Central Europe but the concept developed through a rich theoretical base can be usefully adapted and widely applied to other contexts Scholars and graduate level students in geography international relations political science social anthropology and sociology as well as policy practitioners with an interest in the negotiation of coexistence minority issues and social and political cohesion in multicultural societies will find this an illuminating read *Slovakia Country Study Guide Volume 1 Strategic Information and Developments* IBP USA,2013-08 Slovakia Country Study Guide Strategic Information and Developments Volume 1 Strategic Information and Developments *OECD Skills Studies OECD Skills Strategy Slovak Republic Assessment and Recommendations* OECD,2020-04-10 This report OECD Skills Strategy Slovak Republic Assessment and Recommendations identifies opportunities and makes recommendations to strengthen the skills of youth reduce skills imbalances foster greater participation in adult learning and strengthen the use of skills in the workplace

Linguistic integration of adult migrants: requirements and learning opportunities Lorenzo Rocca,Cecilie Hamnes Carlsen,Bart Deygers,2020-02-03 Report on the 2018 Council of Europe and ALTE survey on language and knowledge of society policies for migrants Migration is one of the most contentious issues in current international politics To better understand this issue the Council of Europe conducted an extensive survey among Council of Europe member states on requirements regarding language and knowledge of society that migrants must meet to obtain access to the country residency or citizenship This report based on that survey will be relevant to anybody interested in migration and language policy It pays particular attention to vulnerable learner groups and the degree to which member states provide migrants with adequate learning opportunities In addition to discussing current trends it also shows that language and knowledge of society requirements were gradually made stricter between 2007 and 2018 Based on the survey results and on available research the authors formulate a number of policy recommendations emphasising the importance of providing adequate learning opportunities and warning against requirements that might hinder rather than foster integration

Recognizing the exaggeration ways to acquire this ebook **Learn To Speak French For Slovak Speakers** is additionally useful. You have remained in right site to start getting this info. get the Learn To Speak French For Slovak Speakers join that we have the funds for here and check out the link.
